bonds, incomes and property of the wealthy, Mr. Peffer proposes to exempt everything from taxation except empt everything from taxation except empt the bondholders and others.

July 9th, 1894 Ordered to be printed. MR. PEFFER submitted the following RESOLUTION.

In view of existing social and business conditions, and by way of suuggesting objects for remedial legislation;

Resolved by the Senate of the

and through public agencies. Second. That all railroads employed in interstate commerse ought be brought into one organization under control and supervision of public officers; that charges property ought to be uniform throughout the country; that wages of employees ought to be regulated by law and paid promptly in money Third. That all coal beds ought to be owned and worked by the States or by the federal Government, and the wages of all persons who work in the mines ought to be provided by law and paid in money

when due. Fourth. That all money used by the people ought to be supplied only by the Government of the United States; that the rate of interest ought to be uniform in all the States, not exceeding the net average increase of the permanent wealth of the people.

Fifth. That all revenues of the Government ought to be raised by 32 taxes on REAL ESTATE.

Is this what the farmers of North Carolina want? If they want to pay all the taxes, and let the bankers and merchants and railroad men go free they ought to vote the Populists ticket.

The Democratic Congressional cam-

ing their days. But is there no lurking To the Democratic people of North they are too loving to express it? What Carolina: Having never been a candi- of the bright hopes the prodigal's libertinism has forever blighted? There may be romantic elements in : prodigal's career, but the world looks

the death of Senator Vance. In doing culating gaze, and generally calls them perience. Office over Lippards & Bar this, I do not antagonize either of the by some uncomfortables names. How rier's store. many young men there are who in some rash or morbid moment have by one act forever ruined their standing and lost their opportunity. Could the waters of forgetfulness but submerge BARBER SHOP CLOSED that act, they would be true men once

vomen that they will grow up sensible; and the prodigal who did come home, and the prodigal who did come home, and for whom the fatted calf was killed, who were doing business at the St. Cloud was never so good and true a man as if Hotel, are now in more comfortable and for transportation of persons and port. I regret not to be able to agree he had kept away from rottenness and congenial quarters in the King block, nancial reform is of the most pressing importance, and I favor immediate action of the past, but it is true. The one past, we will be glad to wait on them in dehauchery. This isn't palatable to opposite Patterson's store, near Ritz's who deserves the most sympathy is not the wild son but the sympathy is not the future, and as many more as are dethe wild son, but the sorrowing parent.

reach themselves. A case in point is place in town soon as it became definitely known that pack the five or six manufacturers of them in this country were flooded with orders for the wholesale dealers, who had an idea that the tax would only complete failure of Republican plans tured after the new law went into effect. They will learn better now, and the knowledge will cost them just 2 cents a rary in their nature. They should pack, as the tax must be paid on every from Patterson Springs Station. press onward until the principles of the salers been less greedy they would have Spend Your Summer Democratic party are fully carried into saved money, as all cards made after the law takes effect will have to have glory of our country. In this cause I have already spent many years of my life, and I shall estern it.

Solicitor George H. White, who is candidate for Congress in the Second District, on the Republican ticket, says that he is in the race to stay till election. Cheatham, the other Republi can candidate, says the same thing. Durham turns out 300,000,000 eig-

arettes a year,

The War is Over. A Well-known Soldier, Correspondent and Journalist Makes a Disclosure. Indiana contributed her thousands of brave

more than take the places of those who will retire. The Superintendent has just returned from a tour with his chors at class of thirteen through the western part of the State. But in this case thirteen seems not to have been an unlicky number, for over two thousand ollars clear of expenses was made by the trip. At Mocksville, Davie county, an annual pienic is held for the Oxford Orphan Asylum. It has now been in operation for sixteen years and is a great help to the institution. This year \$571 was realized from this picnic. It has become a fixed thing in Davie. These asylum picnics are being organized in other parts of the State. One is held this year at Park Springs, Caldwell county, and at Willesboro. Superintendent Lawrence was yet. "If the State will give me twenty of these picnics, in ten years I will en-
