near than there is now in keeping it acting for Yankee Doodle." men in those days. They were scholars made a change in and they were patriots. We have no such scholars in politics nowadays-not one who can happily use in a great oration a Greek or Latin or French quotation. The letters of Webster, Adams, Jefferson, Rutledge and Randolph are ner : ull of them, and I make bold to say hat no man can ever be a great orator who is not a thorough classical scholar. The present generation of Senators and Representatives are not scholars. They chosen Commander-in-Chief. All New England and Pennsylvania wanted Gen.

Ward, of Massachusetts, and even after the revolution was well under way Gen. Gates laid a scheme to supplant him. But old John Adams stood by him from own popularity at home. I have great respect for Adams. Ben Franklin and Patrick Henry lived and shone like stars in the political though solution at the public crib, of Goliahs. and John Adams and Washington and and shone like stars in the political heavens; and about John Hancock, whose great big classic hand is first to the declaration of independence. He was the richest man in Boston and the was the richest man in the political man straiting every nerve was the richest man in the profession and the was the richest man in the profession and the was the richest man in the profession and the was the richest man in the profession and the was the richest man in the profession and the was the richest man to the profession and the was the richest man in the profession and the was the richest man in the profession and the was the richest man the richest man in the profession and the was the richest man the richest man the richest man in the profession and t most unquenchable patriot, but he signed first only because he was the President of the Continental Congress. The first

PRACTICAL It seems from these old records that the resolutions that declared our independence was passed on the 2d day of July, and John Adams wrote to his wife the next day and said: "The 2d day of July, 1776, will be the most memor-less money than honor, if the fingers do less money than honor in it, and it is better the fingers do less money than honor in it.
