fiercely assailed by enemies personal and political, and doubtless you have thought very unjustly assailed. Can you, do you feel that you have freely forgiven your enemies?' The General was silent

a moment, and said that he freely forgave his enemies, personal and political, but the enemies of his poor, dead wife, who had been slandered in her grave, he did not feel, in justice to her memory, that he could forgive. Dr. Edgar said the injunction laid upon us by the plessed Savior to forgive our enemies, to pray for them, is positive, and adnitted of no exception. To this the General made no reply for a consideraole interval, during which he seemed in great mental distress. Then, Dr. Edwhile he is trying to do his duty you were full to overflowing. gar related, the whole expression of the countenance changed; a sweet, heavenly mile illumined his face, and the Genral said: 'Yes, I do forgive, and ask shrug of disgust.
