MODERATE. A THANKSGIVING SECRET.

Rev. E. L. Pell, in Bible Reader. In the little hut at the bottom of the Charlotte Observer. hill yonder dwells a wretched woman whose life is dominated by the belief Cleveland?" there appears in the New "For several years I was an official ant Postmaster General Frank H. Jones the mints of the United States were that the world owes her a pension. On what grounds she bases her claim, other than the fact that she has long been in the dilemma of the old woman who the dilemma of the old woman who lived in a shoe, has never been made quite clear, but that she is fully convinced of its validity has never been whom vinced of its validity has never been doubted by the neighbors from whom doubted by the neighbors from whom the differences some queer things about the building. Some queer things about the principal items being in the galaxies and the question have saved during that time I saw that the divisions under this support. Some queer things about the building. Some queer things about the building. But I was always most interested in the principal items being in the galaxies and the question have saved during the year \$1,395,577, is, How did it happen? Why, Walter the during the year \$1,395,577, is, How did it, of course. Wasn't he wandering ghost in the carrier service by stopping overtime and red during that time I saw that the during that time I saw that the during that the during that time I saw that the during that the during that time I saw that the during doubted by the neighbors from whom she has been diligently collecting it for the past dozen years. A more persistent, native leads of the post dozen years. A more persistent on the past dozen years. A more persistent on the past dozen years. A more persistent on the post and post offices \$60,538,097. The number of post offices \$60,538,097. The thing that she does not ask for it, and able if the Democratic leaders are able came very near causing a tragedy once. which 150 are first class, 700 second she is liable to want anything anywhere to read the signs of the times and want Late one afternoon a young lady, mar- class, and 2,632 third class. and at any hour of the day or night.

And when she comes to beg, it is with feat. Without Mr. Cleveland the Demoon her first visit to Washington was postmasters is made for the year 1897, the air of a collector who has come for crats cannot win; with him they may shown through the crypt with some an increase over the present year of the sixteenth time for the rent that has win. It was his great popularity, firm-friends. Somehow the bride became \$1,000,000. The total number of positive the sixteenth time for the rent that has win. It was his great popularity, firm-friends. sign that you have reached her heart, no indication that she has a beart to reach. If she ever uttered a "thank you" that meant it, the oldest inhabitant does not recall it. Everybody reasoning. Thus: knows grumbling Jane-under protest. And everybody despises her, as she despises everybody, and calls her a hateful old thing, a public nuisance that ought to be abated, a running sore on the body politic. And yet grumbling Jane is only
