NATIONAL DEMOCRATIC PLATFORM.

We, the Democrats of the United do reaffirm our allegiance to those great his positively the best. Others sake the same claim. But there's We prove it. Not by anby Merit. Not by what

During all these years the Democratic bly, perfectly and permanently party has resisted the tendencies of the selfish interests to the centralization of government at power and steadfastly maintaied the integrity of the dual buy Hood's rilla in pref.

lies. Under its guidance and teachings ment has found its best expression in tion all others. the maintenance of the rights of the states and its assertion the necessity of confining the general government to the exercise of the powers granted by ents in its advertising and testimonials the constitution of the United States. are verified by all who take it. No other edicine has ever received such praise, or

THE MONEY QUESTION

so many coluntary testimonials of wonis paramount to all others at this time, we invite attention to the fact that the federal constitution names silver and gold togather as the money metals of the United States, and that the first coinage law passed by congress under the constitution made the silver dollar the monetary unit of value and admitrocess used in preparing Hood's Sarsapated gold to free coinage at a ratio based ills, and which give it merit peculiar to

telf. This is the secret of its wonderful We are opposed to the policy and ower, of its wonderful sales, of its wonpractice of surrendering to the holders of the obligations of the United States in the house relative to contempt in federful hold upon the confidence of the people. This is why it cures Scrofula, the option reserved by law to the govelt Bheum, Catarrh, Rheumatism, all ernment of redeeming such obligations Hamors, Kinney and Liver troubles, Dysin either silver coin or gold coin.

pepsis, That Tired Feeling, builds up the We declare that the act of 1873 denerves, creates an appetite and strengthens monetizing silver without the knowledge the whole system. Its merit, its sales, its or approval of the American people has resulted in the appreciation of gold and a corresponding falling in the prices of railroad funding bill and denounce the Cures commodities produced by the people.

We are unalterably opposed to the Make Hood's Sarsaparilla the One True ingle gold standard, which has locked lood Puriller. Sold by all druggists. \$1. fast the prosperity of an industrious people in the paralysis of hard times. Gold monometallism is a British policy founded upon British greed for gain and power, and its general adoption has and the fact of enlistment and service gireering to successful enactment the brought other nations into financial servitute to London. It is not only un-American, but anti-American, and can be fastened upon the United States only by the stifling of that spirit and love of independence in 1776 and won it in the

war of the revolution. coinage of both gold and silver at the and while they remain territories we present legal ratio of 16 to 1 without hold that the officers appointed to adwaiting for the aid or consent of any minister the government of any territo-OF KNOWN MERIT other nation. We demand that the ry, together with the District of Columstandard silver dollar shall be a legal bia and Alaska, should be bona fide tender equally with gold for all debts, residents of the territory or district in public and private, and we favor such which their duties are to be performed legislation as will prevent for the The Democratic party believes in home future the demonetization of any kind rule and that all public lands of the of legal tender money by private con- United States shall be appropriated to

OPPOSE BOND ISSUES.

We are opposed to the issuing of interst bearing bonds of the United States in imes of peace, and condemn the trafficking with banking syndicates which, in exchange for bonds at an enormous profit to themselves, supply the Federal Treasury with gold to maintain the policy of gold monometallism.

Congress alone has power to coin and ssue money and President Jackson, declared that this power could not be delegated to corporations or individuals. We, therefore, denounce the issuance of public service. We favor appointments notes as money for national banks in based upon merits, fixed terms of office derogation of the constitution and we and such an administration of the legal tender for public and private debts portunities to all citizens of ascertained or which is receivable for dues to the United States shall be issued by the hall be redeemable in coin.

We hold that tariff duties should be vied solely for purposes of revenue. such duties to be so adjusted as to operate equally throughout the country and not to discriminate between class or section, and that taxation should be limited by the needs of the government

onestly and economically allministered. We denounce as disturbing to business the Republican threat to restore the Mc-Kinley law which has been twice condemed by the people in national elec-tions and which, enacted under the false plea of protection to home industry, proved a prolific breeder of trusts and monopilies, enriched the the few at the expense of the many; restricted trade and deprived the producers of the in interstate commerce and their emgreat American staples of access to their ployes and recommend such legislation

natural markets. Until the money question is settled ciple. we are opposed to any agitation for further changes in our tariff laws, except such as are necessary to meet the deficit in revenue caused by the adverse decison of the Supreme court on the income

But for this decision by the Supreme court there would be no deficit in the revenues under the laws passed by a Democratic Congress in strict pursuance of the nuiform decisions of that court for nearly one hundred years, that court They Lead the World for Speed, having in that decision sustained constitutional objections to its enactment which had previously been overrun by the ablest judge who have sat on the

We declare that it is the duty of Congress to use all the constitutional power which remains after that decision or which may come from its reversal by the court, as it may hereafter be conthe end that wealth may bear its due 10, 1896. One of the leading
