The Famous Missionary Delivers an Inter-

esting Discourse in Atlanta

Rev. Dr. Young J. Allen delivered an

interesting discourse on mission work

It was not so much a review of mis-

sionary work as a statement of the

great changes which are being wrought

in the Chinese civilization by the leav-

ening influence of Christianity and the

new ideas which of late are being in-

troduced from this country and Europe.

complimentary terms by Dr. J. W.

Roberts, the pastor of Trinity church,

Acts the passage where the Apostle Paul

Asia Minor to Antioch, which was the

anity, and there was the point of de-

parture between the civilizations of the

east and the west. Europe learned

from Christianity light, life and liberty,

was benumbed and shackled by super-

The carriage of a move very fast, but if a man stays on it ong enough he will asunder. The pro-cess of gradual bodily decline and

> loss of energy which leads finally to consumption is not always very rapid, but if it isn't stopped it will presently begin to saw its way into the most vital part of the body, the lungs. There would be very little consumption if every family would keep Dr. Pierce's Golden Medical Discovery in the house, and use it whenever feel-"out of sorts." It keeps the entire in such a high condition of health no chance to get a foot-hold. A teaspoonful or two before meals, in a little water, gives the digestive organism power to assimilate the blood-making, nerve-toning, strength-building properties of the food. It enables the liver and excretory system to clear the circulation of bilious poisons and remove all waste matter from the body. It replaces worn out tissue with hard mus-cular flesh, and changes weak as and debility into active power and nerve force.
>
