Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult

to get rid of. There is but one way to cure it. The disease is in the blood, and all the sprays, washes and inhaling mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Specific is a real blood remedy, and cures obstinate, deep-seated diseases which other remedies have no effect whatever upon. It promptly reaches Catarrh, and never fails to cure even the
