THE MOST WIDELY READ PA-PER IN AMERICA.

Time has demonstrated that the Thrice-a-Week World stands alone in its class. Other papers have imitated its form but not its success This is because it tells all the news all the time and tells it impartially, whether that news be political or otherwise. It is, in fact, almost daily at the price of a weekly and you cannot afford to be without it. Republican and Democrat allke can read the Thrice-a-Week World wit

absolute confidence in its truth. in addition to news, it publish first-class serial stories and other features suited to the home and fire

The Thrice a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE CONCORD TIMES togethe one year for \$1 65. The regular subscription price the two papers is \$2.00.

A Story of Marvelous Wealth

If the stories told under oath in the Supreme Court in New York City are true, William A. Clark, United States Senater from Montana, is easily the wealthiest man in the world, with a fortune that almost defies computation. The riches of John D. Rockefeller, the Rothschilds, the Vanderbilts, or of any other modern or ancient Croesus fade into comparative insignificance beside trusted employe of the Senator, there is about \$100,000,000 worth of minerals in sight, with many times that sum

An action against the United Verde Company was the instrument through which the facts came to light. The complainant, through the testimony of a former confidential stenographer of real worth of the mines. According point in the campany's holding, had Jacksonville's Fire Burned a Year.

found copper ore of wonderfully pure Florida Times-Union and Citizen. chracter for a radius of 10,000 feetalmost two miles-in all directions thus indicating a circumference of wealth of a four-mile diameter. With geon walked into the mayor's place of almost \$100,000,000 of ore in sight business and said to him cheerfully the survey showed additional workings

I set that matter right yesterday, sir. of values beyond the wildest dreams "What matter?" he inquired. "Why, about the angels' pockets!" Furthermore, the plaintiff asserts the present ore ran 600 ounces of silver to the ton, and also that each ton of raw "Oh, sir; I just told the people I was ore extracted held \$2,000 worth of gold sorry to say that I had made a mistake
