Strong Man

Is strong all over. No man can be strong who is suffering from indigestion or some other disease of the stomach and its associated organs of digestion and nutrition. For when the stomach is diseased there is a loss of the nutrition contained in

food, which is the source of all physical strength. When a man doesn't feel just right, when he doesn't sleep well, has an uncomfort able feeling in the stomach after eating, is languid, ble, he is losing the nutrition needed to make strength. Such a man needs to use Dr. Pierce's Golden Medical Discovery. It cures diseases of the

stomach and other organs of digestion and nutrition. It enriches the blood, stimulates the liver nourishes the nerves, and so gives health and strength to the whole body. Mr. Thomas A. Swarts, of Sub. Station C, Columbus, Ohio, Box 103, writes: "I was taken very sick with severe headache, then cramps in the stomach and my food would not digest, then the stomach and my food would not digest, then kidney and liver trouble and my back got weak so I could scarcely get around. The more I doctored the worse I got until six years passed. I could only walk in the house by the aid of a chair, and I had given up to die. Then one of my neighbors said, 'Take my advice and take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself.' The first bettle helped me and after I had taken eight bottles in about six weeks I was weighed and foyind I had gained twenty-seven (27) pounds, and I am as stout and healthy to-day, I think, as I ever was."

The most remarkable language ever used by a Governor of Texas in pardoning was used by Governor Lanham in the case of Milton Young, who, on May 3, 1901, walked into a restaurant at Arlington and without warning shot J. B. Oldfield, a school teacher, dead, at a table at which he was eating. Young was recently convicted of murder. His defence was that he was justfied in killing Oldfield, because Oldfield had wronged his only sister, a girl in her teens and one of Oldfield's pupals. The people of Arlington generally signed a petition for Young's pardon.

The State Board of Pardons, of which Gov. Lanham is chairman, last night granted the pardon. Gov. Lanham in his official proclamation, reviews
