icy eaves. Not a few have learned this to their cost. Every winter injury and even death are reported as the result of this carelessness. But there is a far more popular way of courting danger. Every man or woman who neglects a cough is inviting sickness, and many a fatal sickness has its beginning in a slight

cough.
The timely use of Dr. Pierce's Golden Medical Discovery will cure the cough. Even when the cough is obstinate and there is hemorrhage with emaciation and weakness, "Golden Medical Discovery' always helps and almost always cures.

stitution means a little more profit to the dealer The Common Sense Medical Adviser, 1008 large pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buf-falo, N. Y.

BILL ARP'S LETTER.

It is now many weeks since the good St. Valentine told the birds to mate and the girls and boys to go wooing. St. Patrick has been out and shook his They help make them, but they don't shelalah at the snakes, but still gentle spring keeps on flirting and fooling young men have almost quit marrying. with old man winter and makes him The rich girls won't have them, and believe she is in love with him. But she isent. May and December never with the rich, and so the turtle-doves mate, nor March and November. It is mate more slowly nowadays. Folks against the order of nature. We old people can look and linger and admire, more alacrity than they do now. It is but that is all. We have sailed down not vanity to say that I could have the river and encountered the perils, its reefs and rocks and shoals and quicksands, but, strange to we give no warning. Maybe it is because we know that warning will do no good; maybe, because misery loves company; maybe, and left. Some times he shoots a young because it is the order of nature, the flat of the Almighty. Verily the young fore he shoots the girl he is after. This people would mate and marry and launch their boat and sail down that river if they knew there was a Scylia and Charybodis at every bend and leviathans and maelstroms and cataracts all the way down. Poor, trusting, suffering woman. What perils, what trials, what afflictions does the maternal instinct bring upon you! - Close up by us, while I write, is a beautiful young mother lingering in the grasp of death-dying that her first born child may live. There is nothing more touching, more pitiful, more heroic in nature. There is nothing that a man with the death of a mother in child-
