When I began taking these modicines I weighed scarcely 140 pounds, my nerves were badly shattered and my heart troubled me a great deal. I had pain in my left arm and shoulder, had difficulty in sleeping on my left side, had frequent smothering spells and my heart would flutter and palpitate. I could eat scarcely any kind of food without suffering great distress, and was so restless and nervous that I stept little night or day.

Now I am never bothered with my heart,
