Begins Thursday Morning at 9 O'clock and Continues for Twelve Big Days

Every article of clothing and every pair of shoes in the store reduced. This is the greatest sensational Cut Price Sale in years, for we must reduce our enormous stocks regardless of cost before moving into our new store (which is nearing completion).

All clothing and shoe prices are advancing daily and on many articles we cannot buy direct from the manufacturers at as low a price as we are retailing them for now, but in view of this fact "we have cut the price" for we must sell the goods before moving into the new building for it is easier to move money than it is merchandise.

Remember the time and be here when the store opens at 9 o'clock Thursday morning.

Moving for our last time—Celebrating the big event with the greatest Cut Price Sale in years. We must be out of the building which is now occupied by our shoe and clothing departments in a few more weeks, so we must reduce our stock. Wholesale prices are advancing, but we are reducing. Buy now and save. Cost forgotten. Everything reduced, everything retagged.
