## "Well, I guess I do need a new hat!"

"Hadn't noticed it before now but this one's done its duty. I've worn it all winter and a trim, new one would look much better now that Spring is here. And that reminds me, Easter is just around the corner and I'll want to brighten-up a bit."

And a new hat costs so little that, considering the improvement it makes in one's appearance, a man can hardly afford not to buy a new one.

There will be a special display in our window Tuesday and all week showing all the new shapes and colors.

Don't fail to see this display pr-better still-come
