Sending of Gen. Weygand Seems to Indicate That the French Want Turks the to **Know They Mean Business**

KEEP

Paris, April 23 (By the Associated Press) .- The sending of Gen. Weygand, to Syria, coupled with French government protests against the Turkish concessions to the Chester Syndicate is widely commented on today by

the government, and opposition news papers as the sign of serious difficulties between France and Turkey. fact that Turkey has voted 25,000,000 Turkish pounds to support her army, ogether with the mobilization of Turk ish troops on the Syrian front is cited to show that Turkey is willing to meet the issues raised by France, such

Up until date Turkey has not replied to France's protest against the Thester concession. It is admitted in French official circles that the sending of Gen. Weygand to Syria to replace Gen. Gouraud is one means of, intimating to the Turks that they cannot menace the Syrian frontiers without
