The pupil taking all four quarters will finish more quickly."

ow complicated by foreign MANY BADLY INJURED AT FRENCH BULLFIGHT

y that the bandits would kill Three Toreadors Gored and Spectators Trampled in Panic as Bull Escapes. Paris, May 22.—Three men were nations and compromises, some, badly gored and many people injured the prisoners might die of exposure, at a bull fight at Lunel, in the Herault

Department yesterday. Such fights are forbidden by French law, but in the Southern provinces the law is more often broken than observed on public holidays.

A big fight was staged at Lunel for Whit Monday. The first bull to enter the ring charged the toreador so vigorously that flight was the only possible course for him. When the second bull was brought in one of the pole-jumpers who leap over the animal when it charges, caught his foot against its horns and fell. The bull had trampled him before he could be saved, and he is in a dangerous condi-

The second pole-jumper slipped and mpaled himself on the horns of the same animal. He is not expected to

The third bull brought into the arena also succeeded in goring one of the toreadors, who, however, was only slightly wounded.

A special bull had been reserved for amateur fighters, and this animal broke but the ring during an interval Oakdale cemetery, where interment the Synod at the opening session last in which the spectators had acht their seats and entered the arena. One man was gored and only with difficulty rescued, while the spectators, and flags on all public buildings flew for the office prior to the opening of filled with alarm at the report that the at half mast. The newspapers bull had broken loose, trampled one an other in their effort to escape. Frantic women and men rushed for any kind of shelter, and so many crowded into a merry-go-round machine that it broke beneath their weight. It was two hours before some of the badly injured could be extricated.
