Trying to Influence Governor Smith in Regard to Mulllen-Gage Bill. Albany, N. Y., May 31.-Drys, wets and prohibition neutrals marched on the capitol today primed with last minute arguments with which they hoped to influence Governor Smith's action on the legislative bill for repeal of the Mullen-Gage state prohibition enforcement act which he must sign, veto or kill by fail-

Sunday. Numerically the drys got the jump on their opponents beginning to pack the Assembly Chamber where the public hearing on the repealer was to be held, more than four hours before the time for the Governor's appearance.

## THE COTTON MARKET

Opening Barely Steady at Decline of 6 to 11 Pcints Due to Easier Cables. New York, May 31.-Cotton traders evidently found no special incentive in the over-holiday news and the market

here was comparatively quiet during the The opening was barely mill managers, appear to think that or- to form any opinion as to the crop pros- steady at a decline of 6 to 11 points be cause of rather easier cables and some-"New construction work for which what more favorable weather map than

Cotton futures opened fairly steady:

An India mother has hit upon an excellent plan for getting her daughters home at a satisfactory hour at She requires the last one in 1904 bales of cotton during April, lead- and wholesale trade was considerably to arise first and prepare the family
