# MY SCHOOL DAYS-OTHER

(By JOHN R. ELKINS). Having never quenched my thirst the Pyerian Spring, I make no claim to scholastic attainments, but in ye older times I did, not as St. Paul, sit at the feet of Gamaliel, but I did receive inmarle," Mr. Foil stated. "The meeting the hands of the county parson and the "school marm." I am not a poet, but to suit the occasion I have manufactured a verse, which, if the specimen "passes muster," I might be inducted to try again. But I fear the effort would be this meeting we can get the support of like "straining at a gnat and swallowing a camel." So here it goes:

> Who would not be a boy again, To whistle, sing and play: To live life over, not in vain, But in a cheerful winsome/way.

I started to tell something, a sort of history about my "ups and downs," mostly downs, in my experience. I have bemarle. Concord men contend that the lived through two generations and noting the habits and styles of each, I am some times made to feel like thirty cents; then Highway money, and for this reason they again the other fellow appears to me like a pewter nickel. This age is most too fast for the old timer-can't keep up with the procession, and he is laid on

# Webster's Old Blue Cack.

In my young school days school opened at eight o'clock a. m., giving an hour at noon for dinner. Teachers were not so "larned" in those days. But they put in the time giving more than value received and the foundation stone on which their scholarship was built was Noah Webster's old Blue Back Speller. This man taught millions to spell and read but none to sin. I do not believe that any system of spelling has surpassed that of Webster, and I just feel like placing this bouquet to his memory. But for the war between the states some of graphernalia of the college graduate might have been a part of my intellect ual attire. However, this may be, walks of life. It is said of the Master "and the common people heard Him gladly.'

The Old Styles and Habits.

The mother with the fly bonnet and the fourteen and fifteen year old barefoot boys and girls have been removed from the stage of action-are relics of the past. Then a pair or two of shop shoes a year, was sufficient. Now a dozen pairs is often required and the higher the price the better is the customer

Girls in their teens, and women too. were clad in their ginghams and calico, and whoever saw a prettier sight than a lovely girl in a new pink calico dress? Folks living at a distance went to church in buggies, wagons, carriages and carryalls. Now a fellow must take his "best girl" whizzing along in an auto, and the fact is if he doesn't own the auto the "best girl" won't own him-he is not "in the swim." Why I never saw a bunch of bananas until I was twenty years old, and the average un chin spends more for fruits, sweets and soft drinks now in a week than I did in a year. Yes, the world is moving along at a rapid rate, but may be heading for

Robinson's Circus and John Lowlow.

On the 27th of May, 1868, Robinson's ow exhibited on the lot near where was the time when the Grecian Bend was on the high tide of its popularity

'I saw her home, we walked along, I swore we'd never part. And when she told me to come in, I found she'd won my heart.

While sitting there I thought I heard, A footstep in the hall All sorts of colors turned the girl Who wore that waterfall.'

The Grecian Bend had its inning, but was short lived, as was the case of the trailing dress, which swept the pavements, and the hogshead hoopskirts which claimed so much of "all out doors."

Servant Girl Wouldn't Go in Cellar. Fearing Rats.

Mrs. Tepper, Plainfield, N. J., says, 'Rats were so bad in our cellar the servant girl wouldn't go there. Bought some RAT-SNAP and it cleaned all the RAT-SNAP destroyer rats rats out." and mice. Absolutely prevents odors. Comes in cake form, no mixing. Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25.
