OFFICERS HAVE CLOSED CALL

Negro Opened Fire on Them When They Were Searching For a Still.—Negro Burned Over to Court.

Officers McClure, Caldwell, White and Roach had a close call on last Friday night while on a moonshine raid, it became known at the trial here yesterday of Hope Cook, negro, who was arrested in the raid at the Moreland place in this county near the Mecklenburg line. The officers went to the suspected place about midnight on Friday, and came upon Cook running an illicit still. Officers Caldwell and White were approaching through some bushes, when the negro, hearing the noise, opened fire into the bushes with a shot gun, the load of shot passing just over the heads of the stooping officers. A companion of the negro fired six times at Officer Roach, who was approaching from another direction, but none of the shots took effect. Both the negroes then ran, but Cook was arrested on Saturday morning and brought to Concord. He was given a hearing on Tuesday before Commissioner Kesler and bound over to Federal Court which will convene in October, in Charlotte, his bond being placed at \$2,000. He will be tried on two charges: operating an illicit still, and for shooting at the officers.

The other negro who was present with Cook has not yet been arrested. Officers, however, brought his brother before Commissioner Kesler for a hearing, and he was bound over to court under \$100 bond for aiding and abetting his brother in the illicit distilling.

BURNED TO DEATH

Eight Year Old Colored Child Lost Life in Fire This Morning.

One person was burned to death and three small houses were destroyed by an early morning fire on High Street in the negro section of Concord Tuesday morning.

The fire, which originated about 5 o'clock in the house occupied by Jerry Motley, quickly consumed that building and spread to the houses on either side of it. When the firemen received the fire alarm and reached the scene, three buildings were already in flames, and only quick and effective work on the part of the fire fighters served to bring the fire under control at that point.

The eight year old son of Jerry Motley was burned to death in the flames. The flames spread so rapidly that the father was unable to get his boy out of the house before he was enveloped.

The buildings were owned by Mr. A. R. Blackwelder, and it is said that no insurance was carried on them.

I did not seem to find the right remedy until someone told me of

I used two bottles before I could see any great change, but after that it was remarkable how much better I got. I am now well and strong. I can recommend Cardui, for it certainly benefited me."
