

A Challenge

To Find a Better Combination of Cars HUDSON — ESSEX

WILLYS-KNIGHT

FAMOUS FOR THE SILENT MOTOR
WHICH IMPROVES WITH USE

And The Latest Greatest Popular Priced Automobile

Hudson Super Six Prices are now at the Lowest Point in the history of this famous car. In Eight Years it has been brought to a point of perfection where it stands alone—in a class by itself.

Hudson Owners have no problems for our service sees that they are perfectly satisfied.

The Essex is a slightly smaller brother of the Hudson.

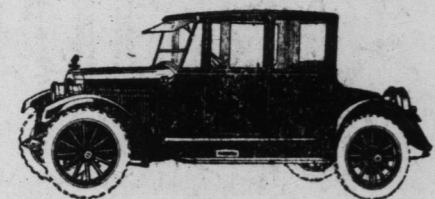

“THE CHAMPION OVERLAND”

The Finest European Cars—Daimler, Panhard, Peugeot, Mors and Mercedes are now powered by Knight motors.

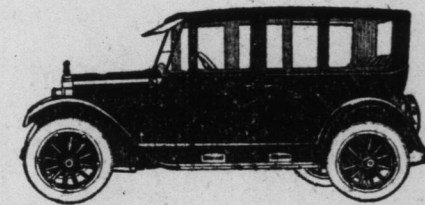

It's evidence of the quality which Willys-Knight owners enjoy in a motor which actually improves with use.

The Overland Cars, Smaller and lighter, maintain the reputation which their big brothers have made everywhere.

See the New Champion.
