CITY OFFICIALS FOR TWO YEARS SELECTED BY LOCAL LADERMEN

Only Few Changes Made Despite Rumors That Board Would Probably Retire All Present Officials.

Q. E. SMITH IS NAMED ENQUIRE

B. E. Harris Was Chosen for Treasurer and J. Lee Crowell, Jr., Appointed Again as the City Attorney.

Rumors of changes in the personnel of city officers few thick and fast prior to the meeting of the aldermen Thursday night, but when the business of the night was completed there were few changes to report after all, and the meeting proved to be rather harmonious. Despite the fact that the aldermen were known to differ as to who should be appointed to some of the offices.

The hardest fights perhaps, were made for the offices of City Engineer and City Attorney, and there were three applicants for the position of City Clerk and Treasurer. When the board got down to business, however, it moved with precision in the naming of the officers with the following results.

City Tax Collector—C. N. Fields, (Re-elected.) City Clerk and Treasurer—B. E. Harris. City Attorney—J. Lee Crowell, Jr. (Re-elected.) Meat and Milk Inspector—Dr. T. N. Spencer. (Re-elected.) Building Inspector—Frank Mund. (Re-elected.) Engineer and Sanitary Officer—Q. E. Smith.

R. A. Brower and Bailey Bost filed applications for the job of clerk and treasurer as did Mr. Harris, who was elected on the first ballot. Capt. Smith is known to have filed his application for engineer when friends pointed out that the board probably would have difficulty in deciding between Reece Ira Long, former engineer, and Walter L. Farr, present engineer. Mr. Smith proved acceptable to both sides and was named without dissent of any kind.

Several changes were made in the personnel of the Water and Light Board. C. A. Isenhour was reappointed for a term of two years and J. O. Moore and A. F. Goodman were appointed for terms of one year each, succeeding T. H. Webb and L. D. Coltrane.

The board put the building inspector on a straight salary of \$500 a year and all fees are to be turned in to the tax collector. Changes also were made in the fees of the collector, his fees to be: On general fund 11-2 per cent; on interest fund 11-2 per cent; on street paving and sinking fund 1 per cent, on school fund 11-2 per cent. The changes were made on the general and school fund, there being a reduction from 2 to 11-2 per cent on each.

Bond in the sum of \$73,000 will be required by both the collector and the clerk, these bonds to be presented before the officials begin their new terms. The board also fixed the salary of the city engineer and sanitary inspector at \$2400, the nominee to give all his time to the work.

Several streets matters, all of them of interest to individuals rather than to the general public were presented to the board and in practically every instance decision will rest with the street committee, to which the questions were referred.

It was suggested at the last meeting of the board that the city purchase an incinerator. The matter was tabled when presented at the meeting Thursday night.

The regular meeting of the War Mothers will be held next Tuesday afternoon at 3:30 o'clock at the home of Mrs. John W. Probst on Corbin street. Joint hostesses at the meeting will be Mrs. C. M. Sappanfield, Mrs. R. J. Phillips and Mrs. C. H. Peck. All members are urged to be present as the meeting is important.

ALLISON BUILDING WAS SOLD FRIDAY AFTERNOON

H. W. Calloway and Associates Are the Purchasers.—Plans Made for Remodeling. Announcement was made Saturday of the sale of the Allison building at corner of Corbin and Union streets, the deal taking place Friday afternoon between H. W. Calloway and associates and the two present owners. The reported price for the lot and building is around \$50,000.

Connected with Mr. Calloway in the purchase of the property were Dr. J. A. Patterson, Ernest Hicks and J. B. Linker. Plans are now being made for repairing the building and for making it more attractive to renters. The work cannot be commenced, however, before the first of July.

It was stated that even before the transfer was completed, negotiations were begun with the prospective owners for the express company. Penless's, a chain grocery company, is understood as having made the bid for the vacant space. The property, owned by Mrs. John P. Allison and Mrs. Paul Mallard, of Texas, is one of the oldest in the city, having been built in 1858 and then being rebuilt in 1904. It is considered as having one of the best locations in Concord.

DONALD WAUCHOPE WAS DROWNED ON FRIDAY

Was Swimming in Lake Waccamaw When Accident Occurred.—Funeral Here This Afternoon. A long distance telephone message Friday night to Mr. and Mrs. E. Gibson Sherrill brought the news that Donald Wauchope, son of Rev. and Mrs. W. C. Wauchope, was drowned late Friday afternoon while swimming in Lake Waccamaw.

Funeral services were held Saturday afternoon at 5 o'clock at the Second Presbyterian Church here, interment being made in Oakwood cemetery. The body arrived in Albemarle on the South-bound railroad and was met there by a Concord undertaker, who brought it on to this city.

Until last spring, Rev. W. C. Wauchope, father of Donald, was pastor of the Second Presbyterian Church here. He resigned his pastorate here to take a charge in Whiteville. Mr. and Mrs. Wauchope and Donald were in Concord only ten days ago on a visit.
