MASS MEETING AT THE COURT HOUSE ON FRIDAY NIGHT

In the Interest of the Great Smoky Mountain National Park-Judge Bryson to Speak.

TEAM MEMBERS ARE APPOINTED

Meeting at Court House to Be Held at 7:30 p. m.-**Every Citizen Should Be** Interested.

A meeting, preparatory to the mass neeting to be held at the court house Friday night in interest of the proposed Great Smoky Mountain Na-tional Park, was held Wednesday night, having been called by Chairman J. F. Cannon. A number of the local committeemen were present. Plans for the Friday night mass

meeting were formulated and the committees with captains were named. The hour for the meeting was set at 7:30 o'clock.

Judge T. D. Bryson, who is conducting court here this week, will make the principal address of the evening. "Judge Bryson is an eloquent and delightful speaker," said one of the committeemen this morning, "and his description of his loved mountains and the Cherokee Indians who live up there in the Great Smoky Mountains is indeed wonderful. "It is an inspiration to hear the

earned judge upon this problem which near and dear to him." orchestra for the occasion but final Company.

NOW IN SESSION AT CHAPEL HILL

Robert Maddry Addressed Them This Morning on the "Problems of College Correspondents."

NO SUPPRESSION AT UNIVERSITY

Of News of Any Kind, Said Mr. Maddry—Robert Lat h a m, of Charleston, Followed Mr. Maddry.

Chapel Hill, Jan. 14,-(A)-A polcy of perfect frankness with reference to the news of the University of North Carolina is one of the things that has enabled the University to win the conidence of the people, Robert W. Maddry, director of the University News bureau, said here today in an address before the State newspaper institute in session here.

Mr. Maddry was speaking on "Prob lems of the College Correspondents." "Any educational institution that adopts a policy of non-censorship of news is certain to get unfavorable publicity now and then, but if the in- muller, the Illinois sensation, have stitute is making real progress," declared the speaker, "the favorable pub- country and have hung up several PASSENGERS ON HIGHWAYS licity will in the long run offset the unfavorable kind."

Mr. Maddry emphasized that the University has never made any attempt to suppress any news relating A stock dividend of 900 per cent—publication of the fact that Coleman to the University. And he cited as one of the largest ever granted to de-lighted stockholders—was announced of the Motor Club, has written Chair—said, the newspapers of the state first learned of the largest every state of the University. learned of the suspension of the University dances through the news bureau, although the news was likely to injure the institution.

The obligations of the news bureau was described by Mr. Maddry as threeesterday to \$517 a share.

This is an advance of \$32.50 a share out waiting for an order.
