Washington, Feb. 28 .- (A)-Edward L. Hoheny must give up the naval oil leases and contracts awarded to him when Albert B. Fall was

secretary of the interior.

Nor will he receive back the money

he spent in attempting to carry the agreements into effect. In an opinion amounting to a comolete victory for the government, the Supreme Court held today that the agreements not only were tainted by fraud, but that the Fall leasing policy under which they were made was

It was under this same policy that the Teapot Dome lease was given to Harry F. Sinclair, although the suit to cancel that lease was not directly nvolved in today's finding.

The opinion of the court was anounced by Justice Butler, and there was no dissent. It completely affirmed the findings of the court of appeals, holding that the Doheny leases and contracts are invalid, and that Doheny entitled to no compensation.
