Shanghai, March 24 .- (A)-It is flicially announced that some Amricans were killed and some vounded in the firing at Nanking. No details have been received. The Americans were killed when Cantonese troops shelled a hill in he northern part of the city where the Standard Oil plant is situated. The number killed and wounded is

vet to be ascertained. Up to 8 o'clock tonight only meagre news had been received from Nanking, and that by radio, the telegraph wires having been eut.
