## TLE ROCK AS LYNCHING'S RESULT

Governor Martineau Ordered Troops on Duty Through Fear of Racial Trouble.

**NEGRO'S BODY** ALSO BURNED

Was Charged With Attacking Mother and Daughter as They Rode Along Road Near City.

Little Rock, Ark., May 5 .- (P)-Militiamen with fixed bayonets greeted residents of Little Rock today after a night of disorder, during which through the business section and burned while thousands looked on.

Fear of serious racial trouble caused Governor Martineau to order out duty, and himself to speed homeward on a special train from Van Buren where yesterday he attended the Straw By midnight after hundreds of men

had paraded streets in automobile control of the situation. The governor acted when informed

helpless by angry crowds which invaded the negro quarter. The negro lynched was John Carter, 38, who was said to have admitted attacking two white women early yesterday. One of the women, Miss Glennie

Stewart, identified him and stood a short distance away when he was lynched. Her mother was in a hospital suffering from injuries. The negro attacked them with an iron bar as they rode near the city in a wagon, The mob and posses of officers captured the negro in the woods near

the city and the mob numbering several hundred took charge. The negro was hanged from a telephone pole, riddled with bullets, and then cut

STRUCK ALBERT SNYDER

Mrs. Snyder Turned Her Head While Demonstration Was Being Given. New York, May 5.-(A)-Henry Judd Gray began his ordeal of cross examination by counsel for his codefendant, Mrs. Ruth Snyder, with

unruffled manner today. on trial charged with beating Albert Snyder to death. In the first few minutes of cross examination he was forced to leave his seat and demonstrate how he had beaten Albert Snyder over the head with a window weight. He did this without apparent emotion, lifting his arms and bringing them down like

wood chopper. Mrs. Snyder averted her gaze during the demonstration and kept her head bowed until the noon recess. Gray today told during the conclu

sion of direct examination of the events leading up to the time of his arrest and immediately afterward. He said that detectives showed him a newspaper with headlines saving Mrs. Snyder had confessed. On arrival in New York he said he was taken to huge areas of primeval forests un- the district attorney's office where he sentiment in protecting these trees for said he had had no sleep since Fri-

> Merchants Meet in Durham, Durham, May 5 .- (INS)-Indica-

tions are that the 25th annual convention of the North Carolina Merchants Association here May 17-18 will be the largest attended in the history of the organization, according to local officials. Aside from the fact that the con-

vention will mak the first quarter cen-

tury of the association's history, attendance is expected to be increased by the unusual entertainment features being planned here. Chief among these will be the Dur-

convention has practically been completed, it was said. Reports of secretaries and commit-

tees will take up the first session of the convention, and during the afternoon there will be a discussion of mercantile problems. Election of officers, further discus-

sion of mercantile problems, and the annual meeting of the Merchants Mutual Fire Insurance Company are features on the Wednesday program. Recommendations of committees will be heard during the afternoon.
