Class of 10 Years Ago to "Graduate." Northfield, Vt., June 14.—Graduation exercises ten years delayed will be conducted Thursday for members of the class of 1917 at Norwich University. When graduation time came practically all of the members were in training. Although the 22 members of the class are now widely scattered throughout the United States and one is on duty with the marine corps in Nicaragua, the most of them plan to return for their belated commencement.

FOR BETTER HOMES IN CABARRUS COUNTY

Why Have a Better Homes Campaign? A Demonstration.

1. In our community, as in others, there are the newly married and other families who wish to set up housekeeping. This Better Homes campaign should provide them with the help they need.

2. There are premises unkept or poorly planned. This campaign will encourage the cleaning up of such premises, the improvement of the grounds, the planting of window boxes, shrubs, flower gardens, etc.

3. Often new homes are planned with the view to looking well only. Through the Better Homes demonstrations can be shown the best types of house plans from which it is possible to build under present conditions for families in moderate circumstances.

4. There may be families in the communities who think good taste and comfort in furnishings are possible only for the well to do. Through the demonstration it is thought to be shown that beauty and comfort are consistent with economy in house furnishing.

5. In the surrounding communities there are probably many home makers who are suffering from needless frugery due to lack of knowledge of labor saving devices, or of the best ways of arranging furniture and utensils to facilitate house work. This Better Homes Demonstration should be able to demonstrate ways of reducing such burdens to a minimum.

6. There may be families suffering from insanitary housing conditions or unwholesome living conditions that, also will be benefited by studying sanitary conditions at the Better Home demonstration.

7. There may be inadequate knowledge of household management, budgeting and household operations on the part of the adult population. By studying the budgeting of The Better Homes Demonstration, as done in the house furnishing, etc., much help may be gained.

8. In communities there are families in which the finer joys of family life are unknown—where good music is never shared by parents and children together—where there are no good books—where there is nothing in the family life which will induce the children to spend their evenings at home—where there are no common enterprises of interest to all members of the family. In the Better Home demonstration will be found such close fellowship of the family personnel as to lead help to those seeking as to maintain these finer associations.

In all communities there are those who need a center called to character building in the home. Many of the fundamental lessons in character development can be taught more effectively in the home than they can in either of the other two chief institutions of character building—the church and the school.

The son has quite generally ceased to be apprenticed to his father in industry; the daughter likewise, spends less time in household operations with her mother, thus attention to much needed instruction in the home has declined. Particular attention to such needed instruction is found in the program of Better Homes Demonstration work.

It is the ambition of the Better Homes committee of Cabarrus that the campaign in our county will result in an awakened determination to closer comradeship in family life, that the result may be as the slogan chosen: A Better Home For Every Child in Cabarrus, and the Products Such that There May Be a Better Cabarrus County.

MRS. D. B. CASTOR, County Chairman of Better Homes in America.

THE HOUSE BEAUTIFUL

A naked house, a naked moor, A shivering pool, before the door, A garden bare of flowers and fruit And poplars at the garden foot; Such is the place that I live in, Bleak without and bare within.

Yet shall our rugged moor receive The incomparable pomp of eve And the cold glories of the dawn Behind our shivering trees be drawn; And when the wind from place to place Doth the unmoored cloud galleons chase,

Your garden gloom and gleam again, With leaping sun, with glancing rain, Here shall the wizard moon ascend The heavens, in the crimson end Of day's declining splendor; here The army of the stars appear, The neighbor hollows, dry or wet, Spring shall with tended flowers beset;

And oft the morning muses see Larks rising from the broomy lea, And every fairy wheel and thread Of cobweb dew-bediamonded, When daisies go, shall wintertime Silver the simple grass with rime; Autumnal frosts enchant the pool And make the cart-ruts beautiful;

And when snow bright the moor ex-pands How shall our children clap their hands.

To make this earth, our hermitage, A cheerful and a changeful page, God's bright and intricate device Of days and seasons doth suffice. —Robert Louis Stevenson.

Meeting of War Mothers. A very enjoyable meeting was held by the War Mothers on Tuesday afternoon at four o'clock. Despite the threatening clouds which gave promise of a heavy down-pour, twenty-four members had gathered when the meeting was called to order by the president, Mrs. R. E. Ridenhour. The chaplain, Mrs. W. L. Bell, opened the meeting with prayer, followed by Mrs. W. J. Glass with a Scripture reading. The Collect, American's Creed and salute to the flag were given in unison, and all sang "America," Mrs. W. S. Bingham presiding at the piano.

Reports of the various committees were heard, the minutes were read by the secretary, Mrs. W. D. Pemberton, and the treasurer, Mrs. Watt Barringer, gave her report.

The War Mothers are looking forward to the picnic to be held at the Rocky River Church during the summer by the Concord and Charlotte Chapters. This is to be an annual event and it is hoped that Gastonia and Statesville will join us this year.

After all business had been transacted Mrs. Pemberton gave a short Flag Day Program, as Tuesday happened to be National Flag Day, Old Glory having been first used on June 14th. We were interested in hearing the history of the Star-Spangled Banner, how it came to be called Old Glory, and why it merits our love and devotion.

At the close of the meeting a delicious course of orange ice and cake was served by the hostesses, Misses J. W. B. Long, M. L. Buchanan, G. W. Means and S. A. Wolff.

PUPILS VACATION BIBLE SCHOOL TO PICNIC TOMORROW

More Than 250 Children Attending School Conducted By St. James Lutheran Church to Enjoy Event.

The fifth annual Vacation Bible School of the St. James Lutheran Church to close Sunday morning, the pupils, numbering more than 250 children, will enjoy a big picnic Friday afternoon at a place unnamed. The site for the frolic is being kept a secret until the hour when the children leave for it, according to Rev. L. Thomas.

The current vacation school will go down into Saint James' history as one of the most successful and beneficial schools ever conducted by the church. The attendance, although not quite as large as that of the school in 1926, has been averaging 250 children daily, and the pupils have been enthusiastic and eager to learn the varied subjects being taught.

The school opened last week, and since that date rapid progress has been made in covering the work of the school with the valuable aid of efficient and capable assistants. Miss Ruth Dry is in charge of the Manual Training, and Sunday morning at the high school exhibits of the work of the pupils will be shown.

Other members of the faculty of the Vacation Bible School include: Miss Nannie Klutz, Miss Kathleen Sappenfield, Mrs. John M. Cook, Miss Ruby Cline, Miss Dorothy Norman, Miss Muriel Wolfe, Mrs. Marshall Teeter, Mrs. Stowe Green, Miss Elizabeth Hahn, Miss Valetta Stout and others. Miss Stout is in charge of the music.

Severe Storm Strikes in Stanly County. Albemarle, June 15.—During one of the worst electric storms that has visited this section in years, the barn of County Commissioner Will Harward two miles north of the city near the county home, was hit by a bolt of lightning and burned to the ground with all contents.

The storm, which was pretty general over most of the entire county was accompanied by a downpour of rain, but little wind. No other damage except the destruction of the Harward barn has been learned of here.

Considerable Damage Done in Mecklenburg By Storm. Charlotte, June 15.—Damage totaling several thousands of dollars was caused by a heavy wind and rain storm that hit this section late yesterday, according to reports from outlying sections received today. The roof of at least one dwelling was blown off and a dairy barn on a farm demolished.

Approximately 250 telephones were put out of commission by breaking of wires due to limbs of trees falling on lines. In some places trees were uprooted. The wind reached a velocity of 60 miles an hour at times.

LINDBERGH'S MOTOR TROUBLE UNAVOIDABLE

Airman Exonerates Personnel of Anacostia Field of Any Responsibility.

New York, June 15.—Col. Charles A. Lindbergh, in a statement to the Associated Press tonight, absolved the personnel of Anacostia naval air station of any blame for failure of the Spirit of St. Louis to be in flying condition last Monday.

In his statement Colonel Lindbergh said: "I have heard of the controversy existing over the condition of my motor and I wish to make the following statement. On arrival at the air station on Monday morning my motor after running for some time developed a slight crack in a cam follower which in turn caused the follower to stick in the guide. This held the valve open and interfered with the proper running of the motor. The trouble was not serious in any way and was easily and quickly remedied when located. It, in no possible way, could have been caused by carelessness on anyone's part, but developed as do most minor troubles."

"I wish particularly to compliment the naval air station at Anacostia on the high caliber of its personnel and to express my sincere appreciation for the prompt and efficient manner in which they cared for my plane."
