9th. This Warehouse will be open every day in the week for private sales, Public sales will be made at stated times, of which due notice will be given.

REMARKS.—We were induced to open a Warehouse here from a desire on the part of the Planter of a place where they could find sure and quick sales for their Tobacco, and on the part of the Manufacturer, of a certain market that they could buy Tobacco of any grade they might want without traveling all over the country to find the quality desired. Taking everything into consideration, we think we are safe in saying that a Warehouse at Danbury will be to the advantage of both Planter and Manufacturer.

We would further state to persons living at a distance, that we will prize and deliver on the Railroad, Tobacco bought at our Warehouse, if so desired. Very Respectfully,

PEPPER & SONS,

P. S.—We will advance as much as half the cash value on Tobacco delivered for sale in Goods, some cash when desired.
