

We call special attention to the new Advertisement of Patterson & Co., in this issue.

PEPPER & SONS have made Arrangements with the Agents of Northern Parties, by which they will be able to pay the highest prices for Dried Fruit and Blackberries. They pay either CASH or GOODS.

DIED—in this county August 21st, 1873, James H. Mitchell, aged 44 years. The deceased leaves a widow and six children surviving, to mourn the loss of a kind husband and father.

A kind neighbor and good citizen, has gone from amongst us.

DEMAREST'S YOUNG AMERICANS is as full of novelties as an egg is full of meat. The September No. of this entertaining Juvenile Monthly will be a valuable accession to any family of children. An announcement is made that hereafter it will be furnished at \$1.00 per year, with a valuable Premium. Girls and Boys will please note this. Address W. JENNINGS DEMAREST, 838 Broadway, N. Y.

Mr. John Warren has erected a stand and made seats, in a well shaded grove on his land, near Wm. Neals, to which he invites Preachers of the gospel of all denominations of christians to use as a place of worship. He has named the place Warren's Delight.

DEMAREST'S MONTHLY MAGAZINE for september is rich in literary novelties, and also gives a fine display of the new Fall Fashions. DEMAREST seems to outbid all his cotemporaries in the value of Premiums to his subscribers; he announces an astounding offers for 1874, of the large and celebrated chromo, "The Old Oaken Bucket," after Jerome Thompson, and several other equally large and valuable Chromos, "The Captive Child," "Home, Sweet Home," and "After the Storm," for the ensuing three years, worth \$15 each. This is certainly unparalleled, and we wonder how it can be done. Send for Circular. Address W. JENNINGS DEMAREST, 838 Broadway, N. Y.

THE RALEIGH SENTINEL.—This paper has just entered upon its ninth volume. We hope that it may live out its three score years and ten. It is one of the papers which "give forth no uncertain sound." It takes its positions and holds them. We like to read Mr. Turner's editorials upon Elder Ward, the organ, "The Long Perry," upon Blow Your Horn Billy, and upon Nichols & Gorman, ("of whom Holden said, they are with us.") Mr. Kingsbury, the associate editor, is one of the most graceful and polished of writers, and the fur flies before his caustic pen. In short we like the Sentinel, and like to see it do well.—Charlott Observer.

THE WEAR AND TEAR OF LIFE.

The cares, anxieties and misfortunes of life are as much to do with shortening it as disease. They are in fact the source of many ailments and physical disabilities. Nervous weakness, dyspepsia, affections of the liver, disturbances of the bowels, headache, hypochondria and monomania are among these, stressing fruits. It is, therefore, of great importance that persons, whose minds are oppressed with heavy business responsibilities, harassed by family troubles, or excited by speculation, or perplexed by a multiplicity of enterprises, or in any way overtaxed or overworked, should keep up their stamina by the daily use of a wholesome tonic. Thousands of persons thus circumstanced are enabled to paragon against the difficulties in which they are involved, and to retain their strength, health and mental clearness, by the regular use of Hostetter's Stomach Bitters. Diseases which are prone to attack the body when debilitated and broken down by over-much brain work or exhausting physical labor, are kept at bay by the resistant power with which this incomparable tonic endows the nervous system and the vital organs. At this season, when the heat is evaporating the elements of strength from every pore, an invigorant is also so lately essential to the safety and comfort of the public, and is required even by the more robust if they desire to keep their athletic capabilities in status quo. Hence a course of Hostetter's Bitters is particularly useful at this period of the year as a defence against the invisible disease afloat in a sultry atmosphere. It is the most potent of all preventive medicines, and for all complaints which affect the stomach, the liver and the bowels, and in all cases of indigestion and biliousness, it is the standard remedy.

PERRY DAVIS'

PAIN-KILLER.

Has been tested in every variety of climate, and by almost every nation known to Americans. It is the constant companion and inestimable friend of the missionary and the traveler, on the sea or land, and no one should travel on our Lakes or Rivers, without it. Since the PAIN-KILLER was first introduced, and met with such extensive sale, many Liniments, Reliefs, Panaceas, and other Remedies have been offered to the public, but not one of them has attained the truly enviable standing of the PAIN-KILLER.

WHY IS THIS SO?  
It is because DAVIS' PAIN-KILLER is what it claims to be a Reliever of Pain.

ITS MERITS ARE UNSURPASSED.  
If you are suffering from INTERNAL PAIN, Twenty to Thirty Drops in a Little Water will almost instantly cure you. There is nothing to equal it for Colic, Cramps, Spasms, Heart-burn, Diarrhea, Dysentery, Flux, Wind in the Bowels, Sour Stomach, Dyspepsia, Sick Headache, &c.

In sections of the country where FEVER AND AGUE prevails, there is no remedy held in greater esteem. Persons traveling should keep it by them. A few drops, in water, will prevent sickness or bowel troubles from change of water.

From foreign countries the calls for PAIN-KILLER are great. It is found to Cure Cholera when all other Remedies Fail. WHEN USED EXTERNALLY AS A LINIMENT.

It gives instant relief from Aching Teeth. Every House-keeper should keep it at hand, and apply it on the first attack of any Pain. It will give satisfactory relief, and save hours of suffering. Do not trifle with yourselves by testing untried remedies. Be sure you call for and get the genuine PAIN-KILLER, as many worthless nostrums are attempted to be sold on the great reputation of this valuable medicine. Directions accompany each bottle. PRICE 25 CTS., 50 CTS., and \$1 PER BOTTLE.
