Delightful weather.

Rather too dry for turnips.

Most of our farmers are nearly through cutting their tobacco.

Keep this paper for reference in regard to the school money.

Don't forget our request last week to pay at least apart of your subscription.

We have yet to hear of the first tobacco barn being burnt in the neighborhood this fall.

Wild pigeons have put in their appearance, "scouts" we suppose looking after the acorn crop.

The Danbury minstrels met Wednesday night last to make arrangements for the concert court week.

Remember the Southern mail leaves Danbury now at 5 o'clock a. m., instead of 7 o'clock, as heretofore.

We learn that sore throat is prevailing to a considerable extent on the Little Yadkin in the south-western part of this county.

Pepper & Sons received this week a nice line of Fall prints, dress goods, notions, drugs, wooden willow ware, and school books.

Thanks to those subscribers who came forward during the past week and paid their subscription to the REPORTER. Again we say, thank you gentlemen.

We saw Mr. Ruben East Saturday. He told us that he had cut and cured nineteen barns of tobacco and had several to cut yet. Good work for four hands.

We had rather see the Democratic, Greenback, Republican or any other party in power than to see Grant emperor, so had anybody else in the County except one Republican candidate.

The pill is too bitter. Hundreds of the honest Republicans of Stokes can't swallow Garfield, but we believe the Republican candidates will all take him down if they have to shut their eyes and hold their breath.

Col. Ben Bailey informed us Saturday that Mr. Gray, the President of the C. F. & Y. V. Railroad, had written to Dr. M. Banner that he would put hands to work on the Railroad at Walnut Cove by the 10th or 15th of next month.

The Republicans now have two candidates out for the lower branch of the Legislature, Mr. P. H. Terrell and Col. Martin Mabe, both clever men, but their goodness won't atone for the corruption of their leaders. We learn that Dr. S. King is out as a Greenbacker.

**MARRIED.**

In the Moravian church in Kernersville, September 21st 1880, by Rev. C. L. Rights, assisted by Rev. Ames Gregson, Mr. Henry E. Shore to Miss Ella N. Kerner, oldest daughter of Dr. E. Kerner. Ella is gone to that long Shore from which she will return no more.

Thanks to those friends who have so generously come to our assistance in keeping up a County paper, we will send out ninety six more copies of the REPORTER this week than we sent out last, hope the number will increase until the REPORTER can be found at the house of every reading family in the county.

The public school in District No. 25, Peter's Creek township, will commence on Monday, October 4th, with Capt. T. J. Blackburn as teacher.

**AN OLD CITIZEN GONE.**

Died at Neatman, in this County, on Thursday evening, 23rd inst., Mr. Martin Gibson, aged 78 years, one month and 23 days.

**MARRIED.**

On Sunday, September 26th, 1880, at the residence of the bride's parents, about five miles west of Danbury, by L. F. Smith, Esq., Mr. JOHN HALE, lately of Clinton county, Pennsylvania, to Miss JANE MOUNCE, of Stokes county, North Carolina.

We are requested to state that the reason Mr. Thomas Martin, the Democratic candidate for sheriff, has not been around with the other candidates, is owing to the health of his wife; he told us at the speaking here on the 21st instant, that he had not taken off his clothes to sleep since our court.

The health of Danbury is good, notwithstanding some of our people have been trying to have typhoid fever, and hanging around their doctor trying to get him to say they were sick, we believe they will not be able to get up anything better than a cold or slight sore throat.

**A NEW POST OFFICE.**

It is not generally known that the Post Office at Neatman in this County is now open and in working order with Mr. H. R. Carrell as post master. We will take pleasure in changing the name of any of our subscribers from other offices to Neatman when it will be for their convenience, if they will let us know that they wish the change made.

**A MISTAKE.**

We are authorized to say for Mr. John Martin (ex-sheriff) that those persons circulating the report that he or his brother, Jerry Martin, will not vote for Mr. Thomas Martin, the Democratic candidate for sheriff, are either honestly mistaken, or else they are willfully lying; that they will both not only vote for their brother, but will do every thing they can honorably to elect him.

That must have been a business like young man who waked up nearly half the quiet inoffensive citizens of Danbury last Thursday night hunting for a Magistrate, Clerk, Sheriff, Doctor, Lawyer, Postmaster, or any body else who could give him license to marry. It was just midnight when he succeeded in finding the deputy Register, who supplied his wants, when, without farther ceremony the said young man left for his girls house just ten miles away.

**TELL US SOMEBODY.**

Will somebody please tell us what under heaven induced the Republican party to put forward a man for president of this great nation so corrupt and so degraded as Jas. A. Garfield. And what in the name of the patriotism of the American people the honor and integrity of the founders of this great government, can men claiming to be honest men think of supporting such a man for office. And what in the name of all that is good do men think of voting for men to fill the County and State offices who will support such a man for office as Jas. A. Garfield. THINK! THINK!

We invite attention of our readers to the new Hardware Store of Brown, Vaughn & Co., in the Brown Building, at Winston. These gentlemen, while goods were low, bought by the car-load, and are selling extremely low. They can sell you anything from a two-ounce tusk to a saw-mill, or from fine silver knives and forks to a bar of iron. They have just received a car-load of cooking stoves, and another is on the way. Go and see them.

A Free Book of nearly 100 large octavo pages for the sick. Full of valuable notes,—by Dr. E. B.
