The MALNATE TONIC has been one of the most successful remedies ever provided by the Medical Faculty of the University of the above Diseases, but it has never been so effectively and so quickly compounded as in LAWRENCE & MARTIN'S ROCK & RYE TONIC. It is a powerful stimulant, and its use will result in the most rapid and complete recovery of the system after the cough has been relieved.

GREEN B. RAHM, Commissioner of Internal Revenue, Washington, D.C., Jan 25th, 1880, says: "TOLL, ROCK & RYE is an agreeable Remedy in Pectoral complaints and is classed as a Medicinal Preparation under the U.S. Revised Statutes, and when so stamped, may be sold by DRUGGISTS, GROCERS, and other persons, without special tax, or license."

CAUTION! Don't be deceived by dealers who try to sell you a cheap imitation of the Tonic. The name LAWRENCE & MARTIN'S TOLL, ROCK & RYE is the only MEDICATED article made in the genuine manner on the Proprietary Stamp on each bottle.

Felt Against a Sharp Edge.
This is furnished by Mr. Wm. Will, 1613 Frankford Ave., Philadelphia, Pa. Some time since I received a severe injury to my back, by falling against the sharp edge of a marble step, the stone penetrating it at least a half-inch, and leaving a very painful wound. After suffering for a time, I concluded to apply St. Jacobs Oil, and am pleased to say, that the results exceeded my expectations. It speedily allayed all pain and swelling and by continued use, made a perfect cure. I really think it the most efficacious liniment I ever used. — [Rockford (Ill.) Register.]

Of all the evils prevalent among young men, we know of none more blighting in its moral effects than to speak lightly of woman's virtue. Nor is there anything in which young men are so thoroughly mistaken as to the low estimate they form with regard to woman's integrity, not of their own mothers sisters, but of others who they forget are somebody else's mothers and sisters.

Nature's Sluice Way.
The kidneys are nature's sluice-way to wash out the debris of our constantly changing bodies. If they do not work properly the trouble is felt everywhere. Then be wise, and as soon as you see signs of disorder get a package of Kidney wort and take it faithfully. It will clean the sluice-way of sand, gravel or slime and purify the whole system. Druggists sell it both liquid and dry, and it is equally efficient in either form. — Independent.

WAYS OF THE PRINTER.—Has the printer tobacco? He has but he will not tell you so. He carries it in the leg of his boot, and when he wants a chew he sneaks down in the back alley where nobody can see him. When he spits tobacco it sounds like a duck living in the water. The printer is a queer man. He is a fickle person. Sometimes he has ten thousand ems on the string, but they are always his dupes. If you are a printer do not be a blacksmith or you will get fired.

A LADY'S WISH.—"Oh, how, I do wish my skin was as clear and soft as yours," said a lady to her friend. "You can easily make it so," answered the friend. "How?" inquired the first lady. "By using Hop Bitters, that makes pure rich blood and blooming health. It did it for me, as you observe." — *Cairo L. Heintz.*

A man, with his teeth knocked out and his nose spread over his face, was recently seen coming out of a Texas newspaper office. When asked what had happened, he replied: "I went into the office to see the man that wrote an article that I objected to. He war there."

After vainly spending five hundred dollars for other remedies to relieve my wife, I have no hesitation in declaring that St. Jacobs Oil will cure Neuralgia says M. V. B. Herson, Esq., of Pinkham & Herson, Boston Mass., — an enthusiastic indorser of its merits. — *Chambersburgh, (Pa.) Herald.*

A Frenchman learning English complained of the irregularity of the verb "to go," the present tense of which some wag had written out for him as follows: "I go; thou startest; he departs; we lay tracks; you cut sticks; they absquatulate or skeddadle."

Why Are You Bilious.
Because you have allowed your bowels to become costive, and lived torpid. Use Kidney-Wort to produce a free state of the bowels, and it will stimulate the liver to proper action, cleanse the skin of its yellowness, cure bilious headache, and cause new life in the blood. Druggists have it, both dry and liquid. — *Zion's Herald.*

Men make fortunes by attending to their own business, because there are few men engaged in that line.

ANNoyANCE AVOIDED.—Gray hairs are honorable but their premature appearance is annoying. Parker's Hair Balsam prevents the annoyance by promptly restoring the youthful color.

Did the horseman who "scored the plain" use soap?

LIVING WITNESSES.—The hundreds of hearty, and healthy looking men, women and children, that have been rescued from beds of pain, sickness and well nigh death by Parker's Ginger Tonic are the best evidences in the world of its sterling merit and worth. You will find such in almost every community.

Yes, young man, do not think of marrying till you can give your wife every luxury and allow her to set out a life of solid leisure. All the women of history got their names placed where those names are by sitting in cushioned chairs facing their hands, and talking about the new styles and their old neighbors.

Rheumatism Neuralgia
Sprains, Pain in the Back and Side.

There is nothing more painful than these diseases; but the pain can be removed and the disease cured by use of **PERRY DAVIS' PAIN KILLER.**
This remedy is a cheap Benzoin or Turpentine product that must be kept away from fire or heat to avoid danger of explosion, nor is it an untried experiment that may do more harm than good.

PAIN KILLER has been in constant use for forty years, and the universal testimony from all parts of the world is, **IT NEVER FAILS.** It not only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remedy, it is safe in the hands of the most inexperienced.

The record of cures by the use of **PAIN KILLER** would fill volumes. The following extracts from letters received show what those who have tried it think:

Edger Cady, Owatonna, Minn., says: "I have been afflicted three years with neuralgia and violent spasms of the stomach. The doctors at Westminister Hospital gave up my case in despair. I tried your PAIN KILLER, and it gave me immediate relief. I have regained my strength, and am now able to follow my usual occupation."

Charles Powell writes from the Gallors' Home, London: "I have used your PAIN KILLER for thirty years, and have found it a never-failing remedy for rheumatism and lameness."

Mr. Burditt writes: "It never fails to relieve in cases of rheumatism. Phil. Gilbert, Somerset, Pa., writes: "From actual use, I know your PAIN KILLER is the best medicine I ever used."

All druggists keep PAIN KILLER. Its price is so low that it is within the reach of all, and it will save many times its cost in doctor's bills. 25c., 50c., and \$1.00 a bottle.
