## DRIFTING, DRIFTING

We learn that the County Commissioners delayed action on the fence law question until their next regular meeting the first Mouday in May. Some of our people believe that the whole county will petition for an election on the subject at that time.

At Dr. V. Thompson's drugstore,

—when the Lees, Jacksons and Hancocks stood up for what they believed to be right—we have been degenerating, until now, when we are experiencing the compliments to their Maker, and turned to speculation, chicanery and their backs on their home with all its pleasureful surrounding, and started off to the industry of the fights peak, and when the covenant with Noah had been broken when the cabin house started off, made their last compliments to their Maker, and turned to first their backs on their home with all its pleasureful surrounding, and started off to the industry of the industry of the highest peak, and when the covenant with Noah had been broken when the cabin house started off, made their last compliments to their Maker, and turned to their backs on their ba At Dr. V. Thompson's drugstore, Winston, may be found the largest line of Trusses, the greatest variety of garden seeds, with the best selected stock den seeds, with the best selected stock of Drugs. Paints, Dve-stuffs, Cigars, then the where will we land? Surely

In an article in the REPORTER AND The Danbury Union Sunday School Post last week we alluded to the downis talking of pienicking at an early day. ward tendency of the age, as manifested Our force acknowledge the courtesy of a call from two of Danbury's fair daughters one day this week. The liberty, and we claim the right of a fre Some of our young ladies are engaged in taking up a subscription to build a fence around the church lot in this place should shut himself from public service.

Memorial day will soon be here, and spirit which scrambles for public patronwhile other places are making arrange- age for the subservance of private ends ments to celebrate it, would it not be We can suggest no surer way to reach well for Danbury to select a speaker and that period in American history so much so pass the day as to do honor to the memory of our loved and lost, and show man than the plan proposed in our article to the world that we have not forgotten -for young men to shun politics. And when that period does come, if ever there will be honor in office Not until The Commissioners at their meeting then. Political shrewdness and chicanery are false promoters to honorable station, and cannot prove substantial stays to one thus exalted. Circumstan ces make men of clay; but true worth and honest merit are the creators of substantial glory-glory which never fades

The honest, brainy, straight-forward The Goldsboro Messenger says of W. the honored and respected man of the

### A VIRGINIA WATERSPOUT.

A Francisco correspondent sends us We are glad to know that the associatother State papers, stating that Sheriff
W. A. Estes had been killed while robpassed over the neighborhood of Jose bing his own safe, is utterly false and Pike, in Patrick county, last Sunday without any foundation whatever. Mr. evening which rather surpassed anything Estes says in the first place he has no of the kind that ever happened in these safe, and if he had one, it would not be worth robbing, just at this time while just like it poured out of a spout, and tax money is so hard to get, and that he the whole neighborhood was inundated knew the whole thing from beginning to almost immediately. One small spring end was a lie as soon as he heard it.

Where such miserable falsehoods originate is a mystery to us. Can it be

T. Pike, and five head of cattle for the that an enemy would fabricate such an Pike family, besides nearly all the fenunreasonable statement and give it to eing off the plantation. Two of the the press? or is it that a friend with eattle were killed, and the others badly more brass than brains intended it for a hurt. A young Mr. Pike says it seemed like the two mountains were going to It appears now that this wonderful shut together, that "trees, logs and peach crop are likely to prove erroneous, as it is believed now that there will be a full crop in most places, if there is no more cold weather.

story originated about Henry C. H., Va. earth started all at once." What was most remarkably strange the rain never extended beyond "Pike's Hollow" in tial account than that given by the as- any direction. I guess from the description given of it, it was what might be called a waterspout, or a 'young flood,' or inuudation of the Pikes.

From the days of the true statesman- Mr. J. T. Pike and family and some ship of the Clays, Websters and Cal-company that happened to be present houns, through the dark days of '61-'65 became terribly excited during the -when the Lees, Jacksons and Han-storm, and thinking that the covenant

The Goldsboro Messenger says of W.

The crowd in Danbury Monday was the smallest we have seen here on any Commissioner's day since the war.

Pepper & Sons received a lot of beautiful spring calico and notions. The spring styles in prints are very pretty.

Some of our tobacco growers report

The Goldsboro Messenger says of W.

S. O'B. Robinson, who has been nominated by the President for the position of U. S. District Attorney for the Eastern District of North Carolina: "Mr. Robinson is a young lawyer of more than ordinary ability, and a Republican from the cradle up, and not for the sake of office. We feel satisfied he will do not consider the needs of the future. And the great masses will, ere this place is not greater than the local taxes and high rents paid by merchants of incorporated towns on railroaps, and as we buy our goods from the railroad to this place is not greater than the local taxes and high rents paid by merchants of incorporated towns on railroaps, and as we buy our goods from the railroad to the future. And the great masses will, ere thus, and not have the bour, and make him the leader. He will be sought for his real worth, and not on account of his so-called political tact, or peculiar fitness for filthy deeds.

A new era appears to be rapidly approaching, and it does seen that the extended of the future. And the great masses will, ere this place is not greater than the local taxes and high rents paid by merchants of incorporated towns on railroaps, and as we buy our goods from the railroad to this place is not greater than the local taxes and high rents paid by merchants of incorporated towns on railroaps, and as we buy our goods from same houses, at same prices.

Our limited means will not enable us to carry in stock the great variety and complete assortments to be found in places with ten or fifteen stock, and the future. And the great masses will, ere this place is not greater than the local taxes and high tents paid to this place is not greater than the local taxes and high the media of
