3. If sybscribers neglect or refuse to take beir periodicals from the office to which hey are directed, they are responsible until bey have sottled their bills and ordered can discontinued.

Aff subscribers move to other places winout hibraring the publisher, and the papers are sent to the former addresses, they are held responsible.

5. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held it alway to be a subscriber.

6. If subscribers pay in advance, they are pound to other water. 18 or not, is held is law to be a surserrier.

6. If subscribers pay in advance, they are bound to give notice to the publisher at the end of their time, if they do not wish to continue taking the paper, otherwise the publisher is authorized to send it on, and the subscriber will be responsible until express notice with payment of all arrears, is gent to the publisher.

We have just fitted up the REPOR-TER AND Post office with new rollers, colored inks, note and letter-heads, Flat-cup, and various other firstelass printing material, and are prepared to do your Job work as neatly and cheaply as it can be done in the State.

Take Ayer's Sarsaparilla in the spring of the year to pugify the blood, invigorate the system, excite the liver to action and restore the healthy tone and vigor of the whole physical mechanism.

Dr. V. O. Thompson has the oldest and largest drug house in Winston, N. C. Any article in the drug line not found there, will be hard to get. When in Winston he will be glad for you to call, and see what he has got.

Merchants of this section will do well to buy Notions and Dry Goods from J. W. Scott & Co., Greensbore, N. C. No hoxing and drayage charged, and freight to meanest railroad station very little.

Small Pox erudicated, Small Pox oured, Small Pox pittings prevented by Darbys Hrophylactic Eluid.

ALWAYS REFRESHING .- A delicious eder is imparted by Floreston Cologne, which is always refreshing, no matter how freely used.

CHEAPEST FASHION MAGAZINE in the world, 120 large pages, 4 pages new music, 1000 engravings each issue, 50 cants per year: single copies 15 cents. Strawsminder & CLOTHIER, 8th & Mar-ket Sts Philadelphia.

No fear of small pox if Darby's Pro-nylactic Fluid is used freely. It dephylactic Fluid is used stroys the very germs.

A WORD TO MOTHERS .- Mothers A Word To Mothers.—Mothers should remember it is a most important duty at this season to look after the health of their families and cleanse the malaria and impurities from their systems, and that nothing will tone up the stomach and liver, regulate the bowls and purify the blood so perfectly as Parker's Ginger Tonic advertised in our solumns—Post. Cee other solumn.

WOMAN'S EXPERIENCE .-- Mothers A WOMAN'S EXPERIENCE.—Mothers and Daughters should feel alarmed when weariness constantly oppresses them. *If I am fretful from exhaustion of vital pewers and the color is fading from my face, Parker's Ginger Tonic, gives quick relief. It builds me up and drives away JNO. ESICKEL. BALL TIM RE, M pain with wonderful certainty."—Buffa-

The extraordinary popularity of Ayer's Cherry Pectorial is the natural result of ats use by intelligent people for over forty years. It has indisputably proven steelf the very best known specific for all solds coughs, and pulmonary complaints.

To Advertiser.

The REPORTER AND POST offers the following inducements to advertisers who may wish to reach the people of Middle and Western North Carolina

1. It goes to nearly every State in the Union, circulates to a considerable extent in Surry, Forsythe and Rockingbam counties, in this State, as well as oining counties in Virginia, while its circulation among the 16,000 of Stokes county's population, is nearly st as great as that of all other weeklies

2. It is in a prosperous condition d growing in favor, its circulation tobeing greater than at any - time since the first number was issued more Ahan ten years since, and has nearly doubled without the last two years.

3. The rates offered by the RE-PORTER AND POST to advertisers are as ow as are offered by any paper with a sirculation as large as its own.

IMPROVED AGRICULTURAL IMPLE-MENTS AND MACHINERY-In our day of progress and advanced ideas, to sucseed at all you must keep pace with the times. To do this, advantage must oe taken of the latest and most improved implements and machinery, it being fully demonstrated that the farmer doing so, gets far ahead of his neighbor, who should therefore provide yourself with the very best Plows, Mowers, Reapers, lakes, Grain Drills Harrows, Cane Mills. Threshers &c &c. Mess Allen Allen of Winston, N. C. make a spesialty of improved agricultural implesents and Machinery, and are auxious o open correspondence with parties con-ceplating the purchase of anything in the line and it will pay you to get their pices before buying elsewhere.

Rev. Father Wilds' EXPERIENCE.

The celebrated J. P. Nissen Wagon, made by

GEO. E. NIESEN & Co., Salem, N. C.

THE REASONS WE CAN AND DO MAKE THE BEST WAGONS ARE: We keep a very large stock of seasoned lumber, sawing most of it on one over mills and THE ICASUS WE CAN describe the limber, sawing most of it on our own mills, and go only the best for wagens; the iron is made especially for us by the best works in nsylvania; the workmen have had many years experience; then it being a settled that we make the best, we can make it cheaper than any one else, quality considered advantages are sawing the lumber ourselves, buying iron, paint, varnish, &c., mostly

by the car load at bottom cash prices.

We are manufacturers' agents for the best-Thimble Skein made, being of best wrought steel, perfectly weided, and cannot break. We make the only brake on running gear that is worth hauling.

Write for prices. Every wagon bearing our name is fully warranted.

GEO. E. NISSEN & CO., Manufacturers, SALEM, N. C.

P. S.—We will deliver wagons at any place in Winston, as our wagons are not kept for sale there.

«Great Fertilizer» *FOR FINE*

- SPECIAL #

1865.

1885.

FOR THE TWENTY YEARS during which we have been selling and manufacturing Fertilizers, we have made the Tobacco Crop the subject of special study and extensive experiments, with the object of making the best possible Fertilizer for that crop, without regard to analyses or book valuations. The relative value of the different ferthe Field, in the Barn, and in the Salesroom. Our

SPECIAL *

is the product of the information and skill gained in this continuous effort to improve, and we offer it with great confidence as being the

VERY BEST FERTILIZER FOR BRIGHT TOBACCO

yet made. Crops raised with it bring the highest average prices in all the markets of Virginia and North Carolina.

IMPORTANT

We use nothing in its manufacture but materials of the highest grade, which are known to be specially adapted to this crop. We use no fiery ammoniates, ground leather, horn, hoof, shoddy, or wool waste, or other inferior or injurious ammoniates.
