Camaca! To the Weary, Feeble AND PLEASURE SEEKER.

Seeing the need in this section of a place where the weary, feeble and broken down may recruit their health and rest; where they and their families may spend the hot season pleasantly when it is necessary to leave their homes or change air, that the failing health of some loved one may be restored, we have laid out

A NEW TOWN and are now offering for sale lots in probably the healthiest section in North Carolina. The town is located on a beautiful

Flat Mountain Ridge 2 1/2 miles west from Danbury, about 1 of a mile from the celebrated Piedmont springs; about the same distance to Pepper's Alum springs; 1 of a mile from Smith's Chalybeate spring, and two miles from C. E. Moore's Sulphur spring, while the location presents

The Finest Views of Moore's Knob, the Hanging Rock, and other prominent peaks along the Saurotan mountain. The lots are well covered with large and small forest trees, which will afford shade in summer and form

Beautiful Groves. The whole is surrounded by Springs

of the purest mountain water, entitling it to the Indian name, "Camaca," a land of springs, which, together with the pure mountain air, would bring color to the faded cheek, and strength to weary frame, even if there was no real mineral water within a hundred miles of the place.

The undersigned propose also to erect a saw-mill, planing machine, &c., that they may build cottages or furnish lumber to those who wish to purchase lots in this healthful locality, where no malaria ever comes, and a case of typhoid fever was never known, except it was contracted out of the neighborhood.

The price of lots this season, 50x100 feet, will be \$25 each. For further particulars address, N. M. & W. R. PEPPER, Danbury, N. C. May 20, '85.
