It goes to nearly every State in the Union, circulates to a considerable extent in Surry, Forsyth and Rockingham counties, in this State, as well as the adjoining counties in Virginia, while its circulation among the 16,000 of Stokes county's population, is nearly as great as that of all other weeklies combined.

2. It is in a prosperous condition and growing in favor, its circulation to-day being greater than at any time since the first number was issued more than ten years since, and has nearly doubled without the last two years.

3. The rates offered by the REPORTER AND POST to advertisers are as low as are offered by any paper with a circulation as large as its own.

Rev. Father Wilds' EXPERIENCE.

The Rev. F. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"I am 54th St., New York, May 15, 1852. Messrs. J. C. Ayer & Co., Gentlemen: Last winter I was troubled with a most uncomfortable itching humer affecting more especially my limbs, which itched so intolerably at night, and became so intense, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorder. My appetite improved almost from the first dose. After a short time the fever and itching were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used it all the time two bottles. I place these facts at your service, hoping their publication may do good."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrophulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; price \$1, six bottles for \$5.

GEO. E. NISSEN & Co., Salem, N. C.

THE REASONS WE CAN AND DO MAKE THE BEST WAGONS ARE: We keep a very large stock of seasoned lumber, sawing most of it on our own mills, and using only the best for wagons; the iron is made especially for us by the best works in Pennsylvania; the workman have had many years experience; then it being a settled fact that we make the best, we can make it cheaper than any one else, quality considered. Our advantages are sawing the lumber ourselves, buying iron, paint, varnish, &c., mostly by the car load at bottom cash prices.

We are manufacturers' agents for the best Thimble Skin made, being of best wrought steel, perfectly welded, and cannot break. We make the only brake on running gear that is worth hauling.

Write for prices. Every wagon bearing our name is fully warranted.
