WHOLESALE AND RETAIL MERCHANTS AND DEALERS IN

Field Seeds, Fertilizers & Country Produce,

FOURTH STREET, WINSTON, N. C.

ANNOUNCEMENT.

To our Customers and the Public.—The population of Winston was about 430 when our Mr. Hinshaw arrived here nineteen years ago. Since the day of his arrival he has done whatever he could to build up and develop the agricultural interests to build up a home market for all the products grown in this section and to aid in making a country and town that would be the pride of the State, he invested the first money in the tobacco business and put up the first Tobacco Warehouse built in Winston, and, in conjunction with others, held three successful Wheat and Cattle Fairs here which resulted in a favorable revolution in wheat, grass and stock growing, and caused Forsyth county to be the banner county at the State Exposition. During the nineteen years he has had a trade and patronage that he is proud of and to his customers he returns thanks. Now with increased facilities, increased capital and accurate knowledge of the needs and wants of the country, with a thoroughly organized and long established business, we feel that we are in better position to merit trade than ever before. In our different departments can be found a Complete Line of Merchandise all bought in quantities as low as money and experience will buy.

In the eleven rooms of our store buildings and in our two warehouses will be found a greater variety of merchandise than can be found in any other house in Western North Carolina. Farmers' Supplies and Groceries of Every Kind. STAPLE HARDWARE, EXCELSIOR COOK STOVES, TIN AND WOODEN WARE, DRY GOODS AND NOTIONS OF EVERY DESCRIPTION, SHOES, BOOTS, HATS, &c., &c. Our ladies' dress goods, notion and shoe department is in charge of Mr. John A. Burton and Miss Lillie George, and will be more complete than ever before and goods will be sold remarkably low. All the ladies are invited to examine this department. Our wholesale department is represented in the house by N. H. Medearis, W. T. Poindester, of Yadkin county, and Hoon M. Rose, of Davie county, and on the road by J. C. Goodman, of Rockingham county.

OUR GRAIN, FLOUR, MEAT AND

heavy grocery department is in charge of A. R. Wright, of Chatham county, assisted by W. C. Sprinkle and Richard Westmoreland, of Forsyth. J. M. Martin, of Stokes, and H. C. Holman, of Davie county, together with all the other salesmen, are always ready to wait on customers in the general retail departments; while the well known and "Old Reliable" Carter Morehead continues to move the goods to and from the railroad and to deliver through town. We carry a large stock of Choice Red and Sapling Clover seed, Orchard Grass, Herd's Grass, Kentucky Blue Grass and Timothy Seeds—wholesale and retail at lowest prices.

Star Brand Special Tobacco Manure and Star Brand Guano,

two of the most reliable brands of fertilizers made. Messrs. Allison & Addison, the manufacturers, assure us they will not change the quality of these excellent fertilizers, except to improve them—a thing they are constantly striving to do. Each successive season shows more clearly the importance of cultivating less land manuring more liberally and growing only fine tobacco. The Star Brand Special Tobacco Manure, as a producer of the desirable grades that are always saleable at good prices, is not excelled—while the Guano stands at the head of the list of fertilizers for general crops. The price of the Special Tobacco Manure will be lower than heretofore. In response to inquiries, we have to say that we will sell fertilizers on time to parties who will secure the payment beyond question.

CREDIT IN RETAIL DEPARTMENTS!

We beg to say to our customers that, having only one price for goods at retail and the profits being very small, we cannot afford to sell on credit. We make this public statement so that if any one who has heretofore run an account with us is referred to the firm of or to J. W. Brown, our book keeper, he will not be offended. We will do what we can to make it to your interest to trade with us and cordially invite all to come and examine our stock and prices.

Yours Very Truly,

HINSHAW & MEDEARIS.

Mexican Mustang Liniment

CURES
Sciatica, Lumbago, Rheumatism, Burns, Scalds, Stings, Bites, Bruises, Bunions, Corns, Sprains, Strains, Stitches, Stiff Joints, Backache, Galls, Sore, Spavin, Cracks, Contracted Muscles, Erysipelas, Hoof Ail, Screw Worms, Swinney, Saddle Galls, Fles.

THIS GOOD OLD STAND-BY accomplishes for everybody exactly what is claimed for it. One of the reasons for the great popularity of the Mustang Liniment is found in its universal applicability. Everybody needs such a medicine. The Lumberman needs it in case of accident. The Housewife needs it for general family use. The Farmer needs it for his teams and his men. The Mechanic needs it always on his work bench. The Miner needs it in case of emergency. The Pioneer needs it—can't get along without it. The Farmer needs it in his house, his stable, and his stock yard. The Steamboat man or the Boatman needs it in liberal supply aboard and ashore. The Horse-fancier needs it—it is his best friend and safest reliance. The Stock-grower needs it—it will save him thousands of dollars and a world of trouble. The Railroad man needs it and will need it so long as his life is a round of accidents and dangers. The Backwoodsman needs it. There is nothing like it as an antidote for the dangers to life, limb and comfort which surround the pioneer. The Merchant needs it about his store among his employees. Accidents will happen, and when these come the Mustang Liniment is wanted at once. **Keep a Bottle in the House.** 'Tis the best of economy. **Keep a Bottle in the Factory.** Its immediate use in case of accident saves pain and loss of wages. **Keep a Bottle Always in the Stable** for use when wanted.
