**THIS GOOD OLD STAND-BY** accomplishes for everybody exactly what is claimed for it. One of the reasons for the great popularity of the Mustang Liniment is found in its universal applicability. Everybody needs such a medicine. The Lumberman needs it in case of accident. The Housewife needs it for general family use. The Cavalier needs it for his team and his men. The Mechanic needs it always on his work bench. The Miner needs it in case of emergency. The Farmer needs it—can't get along without it. The Farmer needs it in his house, his stable, and his stock yard. The Steamboat man or the Boatman needs it in liberal supply aboard and ashore. The Horse-fancier needs it—it is his best friend and safest reliance. The Stock-grower needs it—it will save him thousands of dollars and a world of trouble. The Railroad man needs it and will need it so long as his life is a round of accidents and dangers. The Backwoodsman needs it. There is nothing like it as an antidote for the dangers of life. The Merchant needs it about his store among his employees. Accidents will happen, and when these come the Mustang Liniment is wanted at once. **Keep a Bottle in the House.** 'Tis the best of economy. **Keep a Bottle in the Factory.** Its immediate use in case of accident saves pain and loss of wages. **Keep a Bottle Always in the Stable for use when wanted.**
