THE BULLETIN OF THE N. C. AGRICULTURAL Department for May reports winter oats and wheat good throughout the State; spring oats not up to the average, tobacco backward, average low, 85; preparations for tobacco in Stokes 100. This agrees with this writer's observations as reported on the local column of this issue of the REPORTER, as to tobacco.

WE STATED in our last issue that "The Democratic Convention last week instructed its delegates for Hon. J. C. Baxter for Congress;" of course we referred to the Convention in Winston, though we inadvertently omitted the words in WINSTON, but we do not think any attentive reader could have misunderstood it for there was no convention last week in Stokes, and we had already stated that the delegates of Stokes have not been instructed for any one.

It is now very evident that there will be no organic union between Southern and Northern Presbyterians. It is not too much to say that there should not be. -Wilmington Star.

In the absence of any assigned reason we do not see why there should not be an organic union between the Southern and Northern Presbyterians as formerly existed. If a Church cannot maintain an organic union between its sections where, among Northern institutions, shall we look to find it.

THIS YEAR there will be six candidates in the field for President, as follows, Cleveland, Democrat; Gresham, Republican; Cowdry, United Labor ticket; Clinton B. Fisk, Prohibition party; S. Streeter, Union Labor ticket; and Mrs. Lockwood, Female Suffrage party.

THE PRESSURE INCREASES IN FAVOR of Judge Thurman for the nomination of vice-president; though he emphatically says:

"I am not a candidate for any office on earth. I only want a seat in Heaven."

We hope that by unpromised grace Judge Thurman may be permitted to take his seat among the blessed above.
