

# HINSHAW & MEDEARIS,

Winston, N. C.

To the Readers of the Reporter-Post:

The changes in trade that twenty-two years experience and observation call to mind are many. Some seasons the demand was for cheap shoddy goods and others for good goods, while some merchants catered for the Cheap John Trade and others tried to carry both shoddy and goods so as to meet the wants of both classes, our policy was to handle only a good class of goods, buy them as low as money would buy them and sell them for very small profits. This course has been very satisfactory to us and our growing trade coupled with the fact that thousands of the best citizens in towns and all over the country have been our regular customers for years is unmistakable evidence to our minds that our efforts have been appreciated. It is well known that we carry the largest stock and greatest variety of goods of any house in Western North Carolina. It has been our purpose all the while to get hold of the best goods made, in every line, adapted to the needs of our people, and we again call attention to some of our specialties as follows:
