

HINSHAW & MEDEARIS,

Winston, N. C.

To the Readers of the Reporter-Post:

The changes in trade that twenty-two years experience and observation call to mind are many. Some seasons the demand was for cheap shoddy goods and others for good goods, while some merchants catered for the Cheap John Trade and others tried to carry both shoddy and goods so as to meet the wants of both classes, our policy was to handle only a good class of goods, buy them as low as money would buy them and sell them for very small profits. This course has been very satisfactory to us and our growing trade coupled with the fact that thousands of the best citizens in towns and all over the country have been our regular customers for years is unmistakable evidence to our minds that our efforts have been appreciated. It is well known that we carry the largest stock and greatest variety of goods of any house in Western North Carolina. It has been our purpose all the while to get hold of the best goods made, in every line, adapted to the needs of our people, and we again call attention to some of our specialties as follows:

DANBURY

REAL ESTATE AGENCY.

It has occurred to me in looking over this and adjoining counties that one of the chief needs of the section is a central point where those who desire to sell or purchase land may find what they want without traveling over this country. To meet this want I have concluded to open a real estate agency at Danbury, which I hope to make of real advantage to both buyer and seller of either lands in fee or only timber rights. So if you want to buy or sell

Farming Lands, Timber Lands, Mineral Lands, or Mineral Rights, Timber Rights, Town Lots, or Real Estate in any shape put us in position to sell for you. You will pass no title until you get the money agreeable to contract.

If you have any
IRON PROPERTY TO SELL.

C., on Saturday, and Monday of each week. I can now offer you on reasonable terms the following lands in lots to suit purchasers:

- 1000 Acres of land lying on both sides of the Sauratowa Mountain.
 - 800 Acres of land lying between Moore's Knob and the Hanging Rock, and on south side of the mountain.
 - 150 Acres of land one mile South from Piedmont Springs well adapted to truck farming.
 - 178 Acres 1-2 miles South from Danbury, good farming lands.
