Any subscriber who fails to receive the REPORTER AND POST every week is requested to report the failure. We want to see where the fault is.

"A child's among you take notes. And, faith, he'll print it."

Court adjourned last Friday evening.

After the long rainy spell the weather here is delightful.

Now is the time to visit the mountains.

Some of our farmers have commenced cutting tobacco.

The railroad will be open to travel as early as Mr. Atry next Saturday.

Corn is worth 75c, wheat 80c, etc. etc. 49 per bushel.

The late court sentenced two prisoners to the railroad.

Mrs. Peter W. Hildner and her son, Mr. Peter Hildner passed through here today.

The petiferous flea has been unusually numerous and actively engaged this season.

Chicken in this market are brought at 10c to 25c, full grown ones not desirable at 15c.

Mr. H. Benton Nelson of the Germantown Times, spent a day here last week and looked as bright as ordinarily.

Save your fodder, much of the meadow land has been overflooded by the high water and feed will be scarce.

Don't, don't, don't cut your tobacco too soon unless the frost pushes you; green tobacco is better than no tobacco at all.

"It may get there," but when he does he will find D C State already there and selling goods cheaper for cash than any man in Germantown.

All kinds of goods arriving almost daily at D C State's, Germantown; he gives you the best values for the money down try him.

Blackberries are worth 34; Cherries 10; dried apples, no. 2, 3 cts, no. 3, 2 cts, no. 4, 1 1/2; peaches dried 5 to 7 cts, unpeeled halves 2 cts, raspberries 5, damsons 3.

Mr. Francis E. Petree near Mizpah post-office, visited us to day some bright yellow ground leaves (second printing) which he had cured on six stalks for which he has applied for letters patent.

You think from the few yellow burnt leaves on your tobacco that it is losing; not so; go through and look at it, it is not so bad as you think; a few of the bottom leaves are firing, but the big part of the plant is gaining.

Mrs. John Lawson above the Rock House lately narrowly escaped being bitten by a rattlesnake three and a half feet long, which she came enough on to touch when she was in the act of pulling weeds from around a head of cabbage.

It is a remarkable fact that out of some twenty men including lawyers, inside the bar, one evening last week eleven were barefooted on top of their heads. The question is, were they married men, or did they just naturally have no hair, or the place where the wool outer grow.

We are pleased to say that we added quite a number of names to our subscription list during court, and thankful to those old subscribers who stopped and paid their subscription, who like true men, determined to support their county paper. So far as we now remember of the whole number who paid their subscription, not one ordered his paper discontinued. While there are, and always will be some dead beats, who will take a paper as long as they can get it without paying, and then tell their postmaster to notify the publisher that it is not wanted. We have no word of condolence but turn them over to the d-I and his clan, and are half inclined to believe with one of the best old ladies we ever met who said, "I used to be sorry that there is a place of torment, but some people are so mean that it is a good thing there is a hell for them to go to."

If you owe us for your paper, or anything else, and can't pay, remember that we do not even think hard of you but if you are taking our paper and don't intend paying, just tell us so, and we will mark your name off, but you good day, and turn you over to the old collector down below who keeps the accounts of all who are too mean to pay their subscription when they conveniently can.

The next public examination of school teachers will be on the 12, 13, and 14th, of Sept. The examinations will be written.

THE SHE WOLF.

The she wolf that had been visiting the section around State post office has disappeared as we are told; some people went on the hunt for it, but failed to get up with the ferocious visitor though they got two foxes as a reward for their trouble.

BARN BURN.

Mr. Wm. Pitzer, Red Shoals, lost a barn of tobacco by fire yesterday. He was entering the stalk and stem by char. when a stick fell and became ignited.

Marriage Licenses.

The following marriage licenses have been returned to the Register of Deeds since our last report:

Barclay Robertson and Fanny Wilkins; Thomas Jefferson Gunn and Nancy C. Fogg; J. W. Hydon and Ella L. Moore.

GRAND JURY REPORT.

To Honorable J. A. Gilmer, Judge Presiding:

The Grand Jury for August Term 1889 of Stokes Superior Court would respectfully report to this honorable court that they have acted upon all bills which have been brought before them and have made presentment of all matters of a criminal nature that were within their knowledge.

They would further report that they have visited the poor house and jail and found the poor house in good condition and the inmates say they are well treated. Also found the jail in a clean healthy condition and the prisoners seem to be treated well, but would recommend some repairs be done to said jail as we don't think it safe.

They would further report that they have examined the court house and find it not in very good condition but that it will do for the present.

They would further report that they examined the offices of the Clerk, Register and Register of Deeds and find them in good condition.

Respectfully submitted, W. L. TILLEY, Foreman Grand Jury, August 9th, 1889.

A Prisoner's Lament.

A country man whose propensity for indulging in Apple Jack had induced him to fall into a hellish spirit during the first week of court which led to his being sentenced to jail for ten days, has given the following account of his experience during his stay in those quarters, which he styles, "ten days in Jonah's whale or the belly of hell."

"I was put into a cell tolerably well furnished with a blanket, spoon handle, and bucket. Well I lay down using my arm for a pillow, and in a few minutes the jailer brought me some supper consisting of half a pound of corn do with a small crust on the upper side and a small piece of bacon; after smelling of the supper I again returned to my blanket where I tumbled till 2 o'clock when the sheriff entered and told me I would have to go up stairs to another cell as he had two women that must occupy the cell; the change was soon made and I found myself in a cell with four others who extended their bed to make room for me by pulling their blanket half in two; next morning about 8 o'clock breakfast came, afterwards I began to look about to see how this cell was furnished and found a water bucket, two tin cups with out handles, spoon, spoon-handle, quill, piece of a blanket and water bucket which would cover the small of a pole cat. While pondering over my situation I found one of my comrades in a law state of health, who was furnished with the same diet I was; I saw that he must soon die and thinking my case critical I sent home for relatives, that were cooked by my wife and brought by my faithful son every day, who on his return would find food you'd bring a water-melon which served for water, for we were furnished water but twice a day and some time but once. At last the tenth day came and I began to wash up and prepare to leave the jail when I found that my flesh was all in large shreds. I began an examination of the cell again and found it to be literally filled with chiches, fleas and lice. I concluded that the county government must be Republicans, seeing the chiches, lice and fleas, and the negroes that guard and opened the doors, furnish the dough, etc. but I consoled myself by saying that I could leave and get shot of the negroes, fleas, lice and chiches, go home, burn my clothes and still be a good Democrat if I wanted to be.
