"I have seen in Winston many things that surprised me, but the greatest surprise of all is your Store. I thought Winston did not have any business but Tobacco."
The above remarks were recently made by one of the most prominent business men of the State after he had examined our immense stock of goods. "A FACT NOAH'S ARK," was the exclamation of one of the best and most successful business men of Virginia after he had gone through our

Nine Large Store Rooms.
OUR MOTTO HAS ALWAYS BEEN
THE HIGHEST QUALITY OF GOODS
FOR THE LOWEST POSSIBLE PRICES.
We have never sold at "cost" or run on the "Cheap John" plan, but have been able at all times and under all circumstances to compete successfully with all legitimate competition. We have been in business longer than any house in Winston.
Carry the Largest Stock, the Greatest Variety, and Best Class of Goods.
Having added largely to our
LADIES DRESS GOODS
-AND-
SHOE DEPARTMENTS
we are cramped for room and have decided to close out and discontinue the following lines:
Hardware, Hollow Ware, Wooden Ware, Stoves and Tinware.
We have quite a stock on hand in these lines and are offering bargains. Come and examine before you make any purchases. We are adding to our
Retail Dry Goods, Shoe, Hat and Grocery Dept's.,
WE HAVE ALWAYS BEEN IN THE FRONT AND MEAN TO STAY THERE.
and have kept our stock in advance of the growth of our towns and country but have never changed our motto of "Best Quality Goods for Least Money." It pays everybody to buy good shoes, hats, cloths, cassimeres, jeans, dress goods, trimmings, etc. The best farm supplies are cheapest. We have them. The highest grade
FERTILIZERS AND PUREST GRASS SEEDS
are the cheapest. We have them. Star Brand Guano for Wheat. Beat all others last year and stands higher than ever before.
Our Wholesale Business
is separate from the Retail and our stock is not surpassed in quantity, variety, quality and prices by any house in the State. When you
HAVE ANY PRODUCE TO SELL
come and see us. We ask everybody to come and see us and examine our goods and prices.
Yours very truly,

Would hereby give notice that we are daily receiving fresh supplies of goods, and being on two railroads get our goods as direct and at as low freight rates as any house in this section of the state, that that we pay cash for our goods, buy as low and will sell for as small a profit as any house can which counts sixteen ounces a pound and one hundred cents a dollar. We mean all we say, but nothing can give the same assurance as an actual test.
COME AND SEE US.
Come and see us, give us one trial, and if we don't do what we say do not come again. With many thanks for the liberal patronage given us in the past, we are with much respect, and good wishes to all,
