BROWN'S WAREHOUSE,

WINSTON, N. C.

For twenty-two years the leading house, and always making the highest yearly average for tobacco sold.

Thanking our friends and patrons for their liberal patronage in the past, we ask a continuance for the coming year, 1905. While it gives us pleasure to say that ours was the leading house in quantity of tobacco sold last year, yet it is a greater satisfaction to know that the average price in our house was also far ahead of the market.
