DEATH OF A. B. STEELE.

Other Items From Prestonville.
Prestonville, March 7.

Cold weather as usual.
Mr. A. B. Steele breathed his last Monday February 29, at 5 o'clock P. M., at the home of his son, Daniel. He was a good man and will be missed in his locality. His wife has only been dead two months. He leaves two sons and a host of relatives and friends to mourn his death.

Our school closed last Friday. Messrs. Jim and Currie Hawkins made a flying trip on the Ridge last Sunday. Wonder what is the attraction.

Misses L. and R., and Hardie and Elliott called to see Misses Lenna Duncan and Ludie Martin Sunday.

We wonder what has become of Mr. J. O. M.? We haven't seen him lately.

Mr. S. F. Hawkins visited his father, Mr. G. H. Hawkins, last week.

We wonder what has become of Mr. Pid Sheppard? We have not seen him lately. Why is that, Miss L. E. H.?

Mr. Abe Hawkins has the mumps. Mr. Abe, how do you like them?

JOLLY SCHOOL GIRL.

DELK.

Delk, March 10.

We have the best teacher this winter that we have ever had at this place. The children are all learning and think there is no one like Prof. Thos. J. Blackburn, as he does all he can for the interest of his pupils. He is a hard worker in the school room. We have enrolled one hundred and five, average 74. Prof. is doing the work of two teachers and should be paid according to work. We have been looking for Prof. J. T. Smith to visit our school and would like for him to do so and see what we are doing. Come Prof. and make us an educational talk, we will thank you and you will return and say that the public school at Delk has the brightest boys and girls and the largest attendance and best average in the county.

Gardner, little son of Mr. Left Joyce, has been quite sick for several days.

Jesse Hall attended church Sunday and went home with his best girl. Was it dark going home Jesse?

Miss Lizzie King, of Brown Mt., was visiting in the Delk neighborhood Sunday.

Miss Nevada Hall visited friends at Westfield Sunday.

Miss Flora Sams' best fellow accompanied her home from church Sunday.

Several of our farmers are gone to Winston to carry tobacco and return and say the same old song—low prices.

SCHOOL GIRL.

WHAT IS LIFE ?

In the last analysis nobody knows, but we do know that it is under stric law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. Its gentle, yet thorough. Only 25c. at all Druggists.

NOTICE.

All persons indebted to me on account will please call on S. L. Reynolds at Capella, N. C., and make satisfactory arrangements or settle same at once.

BANNER WAREHOUSE.

MARTINSVILLE, VIRGINIA.

Martinsville wants and must have twenty Million pounds of this crop and if she don't get it our manufacturers will have to go to other markets for it.

Farmers of North Carolina would do well to stop and consider these facts before they sell out this present crop. Competition is the life of trade. We have the largest independent plug factories in the South. We have a wide awake and prosperous market. Demand makes prices. Ties furnished on application, at any point along the line of railroad. Write me or come to see me if you are interested in good prices.
