Come to Sunday School

Walnut Cove, Route 1, June 13.—I want to say a few words in regard to Sunday School.

I would be glad to see more at Sunday School, especially the older ones. I believe if the older ones would go to Sunday school that there would be much good done. It would encourage the little children to come out. Fathers and mothers, go with your children to Sunday School. Some say they can stay at home and read their Bible and do them as much good as it would to walk through the hot sun to Sunday School. It may do them as much good but it would help some one else if each one would get together and read the Bible. I don't know of any better way to spend Sunday if we don't go to preaching than it would to go to Sunday School and prayer meeting. Just think how much good we all could do for the cause of Christ if we only would. It does my heart good to see so many little children at Sunday School. I wish that more would come out and take a part in the fight. Let's us do all we can to encourage some to take a stand for Christ. I say again, let's one and all go to Sunday School and learn more about Christ and his love.

ONE WHO LOVES S. S.

I'm Growing Old Fast

And you know why, too. It's those gray hairs! Don't you know that Ayer's Hair Vigor restores color to gray hair? Well, it does. And it never fails, either. It stops falling hair also, and keeps the scalp clean and healthy. Do not grow old too fast!

"I have used Ayer's Hair Vigor for many years and I should indeed be sorry to be obliged to do without it. It keeps my hair from turning gray, and also keeps my scalp clean and healthy."—E. S. FARRINGTON, Sawyer's, Oregon.
