

DOINGS AROUND WALNUT COVE.

Some Transfers Of Real Estate—Two Deaths—To Have a City Prison—Livery Business Changes Hands.

Walnut Cove, June 20.—The health of our community is very good. Business is quiet, though lots of people were in town during last week. Everybody has put on a look of contentment, especially farmers and business men, since the farmers have overcome "General Green" and the refreshing showers of the past day or two have added much to the prospect of the growing crops.

We record two deaths since our last report: Mrs. Martha Lewis, widow of Andrew Lewis, passed away last Wednesday and was buried on Thursday at Clear Spring, up near Meadows. The surviving members of the family are Mrs. Rufus Duggins, of this place; Mrs. Hugh Manuell, of Maydan; Messrs. Will and John Lewis, of Meadows, and Dee Lewis, of Winston.

Matt James, son of Willis James, who resided a few miles north of town, was buried at Bethel church last Thursday. Besides several brothers and sisters, Mr. James left a wife and two children to mourn his death.

The city building committee is placing lumber on a lot west of Bowles' livery stable for the purpose of erecting a town prison.

There were some transfers of real estate in our town recently. Mr. J. H. Fulton, of Greensboro, has bought the home of Mr. Luther Mitchell, on Summit Avenue, while the brick store on the corner of Third and Main streets, formerly owned by Mrs. George, sister of Dr. Lash, and occupied by Mr. D. S. Boyles, has passed to Mr. Jacob Fulton. Mr. Boyles may build a store room and office on next lot south of said store.

Mr. and Mrs. Luther Mitchell and two children returned last Thursday from a trip up about Elkin and Roaring River. They were looking over the section with a view to locating at some point.

Mrs. J. J. Adams, Julia and J. J., Jr., of Winston, are the guests of Mr. Jacob Fulton this week.

Mr. Wilson Mitchell, a merchant and saw mill man of Gideon, spent Friday afternoon with his brother, Mr. A. S. Mitchell.

Mr. J. A. Petree becomes the sole owner of the livery business formerly owned by Barker, Samuel and Petree.

Mrs. Will Gentry and family, of Mt. Airy, are visiting Mrs. Gentry's parents, Mr. and Mrs. W. B. Vaughn.

L. C. Tuttle lost a hen out of his buggy recently while making a trip to our market. The past week he came with another lot and had to borrow a claw hammer to draw the staples with which he had fastened old lady hen to the floor of the buggy.

Thos. Mabe, of Hartman, was in town last week after a pint of machine oil with which to grease his scythe.

J. D. Waddill was the highest bidder on the bankrupt stock of goods sold at auction Saturday over at Fulp station, paying 41 cents on the dollar for same.

Every available turnout was seen pulling for the footwashing at Flat Shoal Sunday.

Going To Piedmont.

Winston Journal.

Mr. and Mrs. James R. Glenn will go to Piedmont Springs this week to join the crowd of pleasure seekers who have already found their way to that most popular resort. Miss May Barber also expects to go to Piedmont this week, while Mr. and Mrs. Powell Gilmer, Mr. and Mrs. B. H. Marsh and their small son, Mr. and Mrs. Leebster and Master Allison Leebster will go up on the first of July to spend a month or more. Mr. and Mrs. J. C. Buxton and family will occupy their attractive cottage during the month of July. Miss Lora Ferrell has arrived home from Virginia and will go to the springs this week.

TWO DEATHS AT PINNACLE.

Wreck On the Railroad Near Pilot Mountain—Farmers Cutting Wheat—Other Items Of Interest.

Pinnacle, June 19.—The farmers in this section are all busy cutting wheat.

Mrs. E. W. Culler and daughter returned home Saturday.

Mr. J. B. Haley, of Pilot Mt., spent Sunday with relatives here.

We are very sorry to learn of the death of Mrs. Edith Saunders, which occurred Thursday. Old age seemed to be the cause of her death. She was in her 76th year. The bereaved family have our sincere sympathy. The remains were laid to rest at the M. P. church Sunday.

We also note the death of Mr. William Mickey, a well known citizen of this place, on Sunday morning. The deceased had Bright's disease. The remains were buried at Mt. Zion grave yard Sunday at 11 o'clock.

A wreck occurred on the Southern railway Monday evening just a few miles this side of Pilot Mt. No one was killed and only one man injured. Guess we'll get accustomed to wrecks unless the company pays higher wages.

Several went from here to King Sunday afternoon to the concert. Among those who went were Messrs. Will Moser, Ellis Stone, Joe Spainhour, Ernest Moser, Dalt Davis and Ernest Watson; Misses Irene Simpson, Lucy Spainhour, Mamie Crouse and Tine Simpson. They report quite a pleasant trip.

Mrs. H. W. Stanford, of Winston Salem, is visiting relatives here and at Pilot Mt. this week.

Miss Melissa Phillips, who has been going to school at the B. F. U. at Raleigh, is visiting friends at this place.

Mrs. Keith, of Winston, is visiting friends at this place.

We are very sorry to note the illness of Mrs. R. N. Moser. Hope she will soon recover.

ME.

MIZPAH.

Mizpah, June 19.—People are cutting wheat right along in this section, they are finding some smut in some of it, I am sorry to note.

I think most all of the farmers got through planting tobacco this season.

Mr. Crabgrass is coming with a boom. Look out or he will get ahead of us.

I see Mr. "Dog-Killer" seems to be silent on the negro. Give them a few and let's see where you stand as you must be up on the Bible pretty well.

What has become of Prof. Harris, I haven't seen anything from him in a long time. Come again, old fellow, we enjoy reading your letters very much and let us hear from you once more.

Mr. John T. Carroll made some photos for some of the Winston people. He must be getting pretty good, as they came from a regular gallery to him.

There were quite a crowd at Flat Shoal Sunday. Hope they all enjoyed themselves. Don't think some will, hereafter, from what they say about the way they acted at church.

Miss Sallie Allen of Winston, visited Miss Rosa Carroll Sunday.

Mr. McCoy Carroll has been up home from Winston on the sick list, but will go back as soon as he gets better. The girls all like to see him up I think.

Mr. Jim Southern is the guest of Miss Hessie Meadows. Glad to see you old boy. Come around and give an account of yourself. ROOSTER.

PROSPECTS BRIGHTER AT PILOT.

Dr. Worth Improving Nicely—A Fertilizer Plant Likely To Be Established—Other News.

Pilot Mountain, June 19.—We are having rain in abundance after so long a dry spell. The wheat crop is reported fairly good in this section while the harvest is in full blast now. The farmers report the corn and tobacco crops looking well, while the fruit crop seems to be plentiful.

The farmers are hauling and unloading tobacco daily at the Marion Bros. Tobacco factory, which will start up in full force soon. The pickers will go to work Monday and the rollers will go to work next Monday. Mr. Daniel Marion, of this place, will have charge of the plant. Mr. Marion is a good tobaccoist.

We are reliably informed that we are soon to have a large over-all factory here which will be of great interest to both town and community at large and the plant will be operated by a Northern company. The plant is almost assured.

The prospects are very bright for having one of the largest fertilizer factories in the State, which will also be operated by Northern capitalists and we believe it to be one of the finest locations in the world, as this is the right place for such a plant as there could be 18 or 20 thousand dollars worth sold here which would never go on a car.

Dr. D. W. Worth, who had his leg amputated some time ago, is getting along nicely and believe he will soon be out again. The old Dr. is a jolly old fellow and we long to see him out again.

Drs. Smith, Flippin and Woltz, all of this place, will soon erect a nice and up-to-date hospital over the new bank building, which we believe to be of great interest, as there are a great many going to Baltimore and other places for operations, which are very expensive and could be as well at home at those Drs. are well experienced in such work.

Mr. Kent Nicholson, the furniture man, has now got his plant ready to start and left today to visit his family and others in Philadelphia and will start the plant in full blast soon as he returns.

Messrs. M T Overby, G A Jones, Jasper Bennett, of King Route 1, were visitors here this week and report crops good down in old Stokes.

P. W. Gunter keeps clean towels and gives easy shaves at the new barber shop at 119 old bank building, Pilot Mountain, N. C.

BLUE RIDGE KID.

Answer to Sunday School Girl.

Walnut Cove Route 1, June 16.

Mr. Editor:

Please give me a little space in your neat paper to tell the Sunday School Girl where and what the shortest verse is, found in the Bible. St. John 11th chapter and 35th verse. "Jesus wept."

The farmers in this section are very busy cutting wheat.

We had a nice rain this a. m. I guess people will finish planting the 6 cent tobacco, they say 6 cents per pound is not very encouraging but they have to plant a lot of it so they can pay the warehouse charges.

Mr. R. C. Allen is looking very pleasing this week, as he went with Miss Lessie F. last Sunday.

Mr. J. H. Moser bought him a cow last Saturday.

Mr. and Mrs. J. W. Young visited their relatives near Pink last Sunday.

Messrs Sam and Bud Rierson, of Pine Hall, visited W. S. Rierson's last Saturday and Sunday.

CURLEY HEADED GIRL.

NO SECRET ABOUT.

It is no secret, that for Cuts, Burns, Ulcers, Fever Sores, Sore Eyes, Boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25 at drug stores.

CRITZ, VA.

Critz, Va., June 12.—Thinking maybe some of your many readers would like to hear from our village, I will give a few items if you all will be so kind as to let a stranger in.

Our village is a quiet place, but thriving little place. We have three stores, postoffice, two R. F. D. routes from here and also a warehouse owned by R. J. Reynolds Tobacco Co., of Winston-Salem, N. C. Mr. J. L. Hall, of Winston, was manager. He has bought and shipped a lot of tobacco from here this season. Mr. Hall and family expect to leave today for Winston, where they will spend the summer. They made many friends while here, who will gladly welcome them back next fall.

Farmers are quite busy working corn and tobacco. Wheat is nearly ready for harvesting. Don't think the wheat crop is very good, oats are looking very promising.

Mr. R. M. Wood and family, of Shuff, were the guests of W. K. Via Saturday and Sunday.

Mrs. S. H. Wells, after spending several weeks at the home of W. D. Critz, returned to her home at Ashland, West Va.

Mr. Zack Sheppard, of Campbell, N. C., has the contract to erect a nice dwelling here for W. King Via. He has begun work.

Mr. William Gray and family, of Colesville, were the guests of Mr. W. D. Critz Saturday and Sunday.

Misses Mary and Mattie Via entertained some of their young friends Sunday afternoon.

The Primitive Baptists filled their regular appointments at Spoon Creek last Sunday, but owing to the inclemency of the weather small crowd was present.

As this is my first letter for your interesting paper, guess I had better quit for fear the waste basket will get me. If welcomed I will come again.

LONE DOVE.

Mrs. Calloway, of Walnut Cove, is visiting her daughter, Mrs. A. J. Fagg.

Miss Melissa Lasley, of Gideon, is visiting friends here.

Col. John R. Webster, editor of Webster's Weekly, Reidsville, continues to improve.

DYING OF FAMINE

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers, of Coorross, Md., "after trying different medicines and a good, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me. Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all drug stores, price 55c and \$1.00 a bottle. Trial bottle free.

HUGE TASK.

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by all druggists; price 50c.

The Gorrells OF Farmers Warehouse Winston, N. C.

We are justly proud of this record and desire to thank our friends for this immense trade. We will be delighted to handle the balance of your tobacco, and, undoubtedly, we can make it pay you to sell with us.

Death of Old Aunt Nancy Bowles—Pink and Rosebud Play Ball.

Pink, June 19.—Pink Grove Baseball Club played a match game with Rosebud last Saturday. It was called Rosebud, but the team was made up of adjoining counties. Mr. Gray Brown, the Dennis pitcher, pitched for Rosebud. He was actually so green that he corded his leg instead of his arm. Mr. Frank Ross was Pink's pitcher. We played a tie. Each club made the same number of runs. The rule is, give a tie-game to the visiting club. Each and everyone seemed to enjoy the game fine. We all came home singing:

"Rah, 'rah, 'rah! Hubby dub, dub! Hurrah for the Pink Grove Baseball Club!"

The first Saturday in July we are aiming to play a match game with the Ale team.

Old Aunt Nancy Bowles passed away last Saturday at an advanced age. The deceased leaves a host of children and grandchildren to mourn their loss. Earth's loss is Heaven's gain.
