

# RECORD BREAKERS.

OUR NEW SUITS CERTAINLY  
BEAT THE RECORD.

We have distanced our best of last season, and that's no ordinary achievement.

We determined to make it difficult for any one to pick a flaw in our Suit Stock, and a careful glance will show what it is possible to do when fabrics are

CAREFULLY CHOSEN AND TAILORED.

We have a great showing of Fall Suits. Turn them inside out—every stitch, every little detail shows the touch of the Master Tailor; no hurried work—no skimping nothings slighted. This is why Our Suits fit so perfectly and hold their shapes so much longer and better than any other kind.

Name your price and we'll more than meet your expectations at every point.

# CALIFORNIA

Do you want to live where the climate is mild the year round—where labor is never oppressed by stress of weather, and where animal vitality is never lost by mere conflict with cold?

Do you want to live in a region where the resources are more varied than in any other equal area in the world, where the division of great ranches affords a fine opportunity to get a small farm that will assure you a competence?

Do you want to live where, with a minimum of labor, you can grow profitable crops of grapes and small fruit, oranges, lemons, olives, prunes and almonds, alfalfa and grain, where crops are sure, business is good and capital easily finds profitable investment?

Then go to California, where both health and opportunity await your coming.

## The Chicago, Union Pacific and North-Western Line

is the most direct route to the Pacific Coast, and there are two fast through trains daily via this line, over the famous double-track railway between Chicago and the Missouri River.

Special low round-trip rates are in effect via this line throughout the summer to various Pacific Coast points, and colonist low rate one-way tickets will be on sale during September and October, which give an unusual chance for settlers to make the trip at a minimum of expense.

Daily and personally conducted excursions are operated through to San Francisco, Los Angeles, and Portland without change, on which a double berth in a Pullman tourist sleeping car from Chicago costs only \$7.00, via the
