ASTONISHING INCIDENT.

It was, to all her friends, an astonishing incident, that Mrs. I. B. Hunt, of Lime Ridge, Wis., was cured of her dreadful sickness. "Doctors," she writes, "had given me up; friends were ready to bid me the last farewell; clouds of despair darkened my horizon, and I was a wreck on the shores of despondency, when I began to take Electric Bitters, for my frightful stomach and liver complaint. To the astonishment of all, I was benefited at once and am now completely and miraculously restored to health." At all druggists; price 50c; guaranteed.
