Then tell him about Ayer's Cherry Pectoral. Tell him how it cured your hard cough. Tell him why you always keep it in the house. Tell him to ask his doctor about it. Doctors use a great deal of it for throat and lung troubles.

BROWN, CARTER & SIMPSON

First Sale this week—Wednesday and Friday.
First Sale December—Tuesdays, Thursdays and Saturdays.

To the Tobacco Growers of Stokes and Adjoining Counties:

Martinsville, Va., Nov. 14, 1905.
I take this method of informing you that Tobacco has taken a rise on the Martinsville market. All grades are selling better, and it will pay every one of you to patronize this market. Our manufacturers have issued a card stating that they will pay more money for your tobacco in Martinsville than elsewhere. They can afford to do this. Common sense will teach you this. All our factories are having good trade, and the output of plug for the next year will beat all past records. Competition is strong here and you will be pleased with present prices. I confidently expect to see prices good on balance of this crop.

The Banner Warehouse is the best equipped house in the town for handling your tobacco. All my men are experienced and ready and willing to serve you. My facilities for handling your tobacco cannot be beaten, and it will be my pleasure to look after every load of your tobacco, and see that you get the highest market price. Remember first, that unless you come to Martinsville with your tobacco, our good prices will do you no good; and second, unless you come to see me at the BANNER you will not benefit me, nor can I be of any service to you. With best wishes and trusting to have the pleasure of seeing you with your first load, I am,

Your friend truly,

E. J. DAVIS Martinsville, Va.
