LAND SALE.

By virtue of the power of sale contained in a deed in trust executed on the 30th day of March, 1900, by John Red Mabe and his wife, Elizabeth Mabe, to the undersigned, John D. Humphreys, trustee, to secure the payment of a certain bond due to Dr. Walter L. McCannless of \$178.04, and default having been made in the payment of said bond, in accordance with the terms, stipulations and conditions contained therein, and the bond being due and unpaid, I will sell at public auction to the highest bidder, for cash, at the court house door in the town of Danbury, N. C., on Monday, the 5th day March, 1906, the lands described in said deed in trust, which are described and defined as follows, to-wit: A certain tract of land lying and being in Stokes county aforesaid and more particularly described and defined as follows: Beginning at a white oak in the forks of the road (Red Shoal road) and the Carland Ore Bank road, Riley Mabe's corner, and running S. 25 chains to a maple in Matt Mabe's line; thence with his line N. 58 deg. The deed in trust under which this land is sold appears of record in the office of the Register of Deeds of Stokes county, N. C., in book No. 30, page 267. This Jan. 15th, 1906.

TAX NOTICE!

Fourth and Last Call.
I will meet the tax payers of Stokes County, for the purpose of collecting their taxes for the year 1905, at the following times and places, to-wit:

Germanton,	Sat. Feb. 24, 1906.
King,	Mon. " 26, "

John Laekey's store Thurs.	" 15, "
Lawsonville, Fri.	" 16, "
Francisco, Sat.	" 17, "

I trust the people will meet me at the above times and places and settle their taxes promptly. This is my fourth and last round. The law does not require me to make more than two rounds, nor to go to more than one place in a Township at each round, but in order to give the people all the convenience that I could to pay their taxes, I make four rounds, and make from one to four points in a township, instead of one. I have tried to make a call convenient to all the tax payers of the county, and as this is my last call, I respectfully request all those who have not paid to meet me on this round and pay up the taxes that are still due.

Don't forget that this is election year, and that you must pay your poll tax on or by the first day of May, 1906, or you will be disfranchised. Why not meet me on this round and settle this important matter, and get it off your mind, and be ready to vote in the approaching election. It is a good time now to pay, while you have the money, and it will be best to settle before the books go out, and save costs.

This the 7th day of Feb. 1906.
R. J. PETREE,
Sheriff of Stokes County.

Why deposit your money in outside counties, and help build up foreign banks, when the Bank of Stokes County offers you every protection that any bank can offer, and every facility for up-to-date business.

The Tobacco Sold At PIEDMONT WAREHOUSE,

WINSTON-SALEM, N. C.

Up to Christmas brought 19 cents per hundred more than the market average.

In other words every 1,000 pounds sold at Piedmont has brought one dollar and ninety cents more than the market average—nearly enough more to pay your warehouse charges. What do you think about it? Is \$1.90 per load worth making? Don't you think it pays to sell at Piedmont, the leading house in pounds and prices? We are glad to tell you that all grades of tobacco are selling well, especially the common ones. We believe that tobaccos up to 10c are bringing more money now than they did three years ago—the "high year." Bring us your next load and you shall have every dollar possible for it. Hoping to see you soon, we are,
