Particulars of the Accident to Mr. L. E. Morefield.

Mr. J. Wesley Morefield, of Sandy Ridge Route 1, was in town on business Monday. Mr. Morefield returned last week from Roanoke, Va., where he was summoned to attend the bedside of his son, L. E. Morefield, who was dangerously hurt on the railroad a few days ago. Mr. Morefield told the Reporter the particulars of the accident. The young man, who is fireman on the N. & W., was on the run between Roanoke and Bluefield. The train was heavily loaded and had on a triple-header, and young Morefield was looking out of the cab for a danger signal when he was struck by a switch-stand and knocked from the train. He was picked up and carried back to Roanoke and placed in the hospital. For several hours he was unconscious as the doctors found his skull had been fractured. But later, thanks to good attention, he improved, and when his father left, the young man was able to sit up. Mrs. Morefield expects to visit her son this week.

James Grogan, of Price.

TAX NOTICE!

FOURTH AND LAST CALL.

I will meet the tax payers of Stokes County, for the purpose of collecting their taxes for the year 1905, at the following times and places, to-wit:

Francisco,	Sat. " 17, "

I trust the people will meet me at the above times and places and settle their taxes promptly. This is my fourth and last round. The law does not require me to make more than two rounds, nor to go to more than one place in a Township at each round, but in order to give the people all the convenience that I could to pay their taxes, I make four rounds, and make from one to four points in a township, instead of one. I have tried to make a call convenient to all the tax payers of the county, and as this is my last call, I respectfully request all those who have not paid to meet me on this round and pay up the taxes that are still due.

Don't forget that this is election year, and that you must pay your poll tax on or by the first day of May, 1906, or you will be disfranchised. Why not meet me on this round and settle this important matter, and get it off your mind, and be ready to vote in the approaching election. It is a good time now to pay, while you have the money, and it will be best to settle before the books go out, and save costs.

This the 7th day of Feb. 1906.

R. J. PETREE,
Sheriff of Stokes County.

Why deposit your money in outside counties, and help build up foreign banks, when the Bank of Stokes County offers you every protection that any bank can offer, and every facility for up-to-date business.

The Tobacco Sold At PIEDMONT WAREHOUSE,

WINSTON-SALEM, N. C.

Up to Christmas brought 19 cents per hundred more than the market average.

In other words every 1,000 pounds sold at Piedmont has brought one dollar and ninety cents more than the market average—nearly enough more to pay your warehouse charges. What do you think about it? Is \$1.90 per load worth making?

Don't you think it pays to sell at Piedmont, the leading house in pounds and prices?

We are glad to tell you that all grades of tobacco are selling well, especially the common ones. We believe that tobaccos up to 10c are bringing more money now than they did three years ago—"the high year." Bring us your next load and you shall have every dollar possible for it. Hoping to see you soon, we are,
