SANDY RIDGE.

Sandy Ridge Route 1, April 16.—We had a nice meeting at North View last second Saturday and Sunday. Elders Alex Moran and James Fagg were our preachers and I feel that they were wonderfully blessed. There was a large crowd on Sunday and we had good behavior. I always try to fill my seat at church where my membership is. When I am able to go I feel it my duty to be there.

Mr. J. Wesley Morefield is on the sick list. Hope he will soon recover. Also his little daughter Jettie has been right sick but is better.

Mr. Billie Wood is right sick and also Miss Quincy Andrews is very sick.

Mrs. Della Taylor, of Fulp, left today for home after visiting father and mother, Mr. and Mrs. J. Wesley Morefield. She spent a week and we enjoyed her visit very much.

Mr. J. Wesley Morefield has employed him a clerk, Mr. Levi Knight. We think he is a nice young man and hope he will be successful in his undertaking.

We are all living in hope of seeing the electric car line through this county. For I think it would be building up Old Stokes.

A FRIEND.

If a Cow gave Butter

mankind would have to invent milk. Milk is Nature's emulsion—butter put in shape for digestion. Cod liver oil is extremely nourishing, but it has to be emulsified before we can digest it.

Scott's Emulsion

combines the best oil with the valuable hypophosphites so that it is easy to digest and does far more good than the oil alone could. That makes Scott's Emulsion the most strengthening, nourishing food—medicine in the world.

KING.

King, April 17.—Farmers are busy plowing in this section preparing for another crop.

Mr. and Mrs. Gray Goff moved to their new home last Wednesday.

Mr. Robert Meadows has decided to name his big boy Solomon Paul.

Mr. and Mrs. Frank Rierison and little Beulah took birthday dinner with Mrs. Rierison's father last Thursday.

Mrs. Amy Keiger, Mrs. Martha Slate, of King; and Mrs. Jettie Watson, of Winston, visited Mrs. S. P. Snider last Thursday.

Mr. and Mrs. Will Fulk and little Mabel visited Mr. and Mrs. Gray Goff last Sunday at their new home.

Guess Miss Annie Love is all smiles this week, as Mr. B. L. Grabs called Sunday. Come again, B. L., we enjoy your company very much.

Miss Gusta Fulk is wearing a sad face this week, as J. L. Love called on another girl Saturday night.

Misses Alice Newsom and Pearl Boggs is all smiles this week, as their best fellows called Sunday. Come again, boys, we are glad to see you all the time.

Four little boys of King, their names are Baxter Love, Russell Love, Roy Newsom and Loyd White went fishing Easter Monday on the Little Yadkin. They fished on until noon and they thought they could take on a little dinner, so they went up to Mr. L. B. Coe's store and bought them a snack, which was 2 cans of corn, 2 cans of tomatoes, 4 cans of podded ham, 22 bottles of pop.

APRIL FOOL.

FASHION FOR MEN.

The tendency among men this Spring and Summer will be to wear the quietest clothes possible. Some wonderful creations in the way of waistcoats have been introduced to go with the dinner coat, but the plain black remains the only correct form. It is cut U shaped, and has three buttons. There will be no loud-patterned shirts or brilliant ties so much in favor some time ago, and the variety of queer greens introduced last season will be used only in mixtures. Gray remains a favorite because there is much motoring and driving, and there is no better color for the road. The color so far imported by fashionable tailors are all of the most sober description. There is a general tendency to be informal and to discard afternoon dress. In America top hats are rarely seen after May. In fact, at two fashionable country weddings last Spring, the bridegroom and ushers wore business suits and straw and felt hats. There has been much speculation regarding the modish collar for Spring and Summer. The flaps of the winged collar are pointed, as they are found at the best haberdashers on Fifth Avenue and Broadway. The collar for ordinary wear with colored shirts will be the turnover or Eton, not too high, with rounded ends. The Panama hat has come to stay. The real article was too expensive to cast aside in a single season. Comfort above all things is to be desired in Spring and Summer, and this cannot be found in a stiff hat. A straw hat that can be made into any shape will come with the blossoms of May and remain the entire summer.—From The Delineator for May.

PINNACLE ROUTE 2.

Pinnacle Route 2, April 16.—Miss Maggie Lawson is right sick with measles, we are sorry to note.

Mr. Floyd Thore has returned from the Standing Army. Glad to see you Floyd.

Measles is all the go in this community. Most everybody that has not had them has a good chance.

Miss Nora Cox and little sister, Emily, were the guests of Miss Susie Palmer Saturday and Sunday. Mr. Recter Tilley called on Miss Susie Saturday evening and her and Miss Nora took a fine buggy ride.

Hello, Angborn, you must not be so scarey of the measles or you will let some of us boys get ahead of you.

There was preaching at the Rock House church Tuesday. Elders Noel Gilbert and Lewis Pyrtle preached. The crowd was small on account of measles, and there was plenty of measles there.

MARRIAGE AT DELK EASTER.

Farmers Putting in Full Time—Delk the Place For the County Fair—The Pilot Mountain Commencement.

Delk, April 16.—Farmers in this section are putting in full time preparing their land. There hasn't been but very little corn planted in this community.

Miss Mary Lee Venable is spending a few days with her cousin near Sloom.

The Sunday School at Brim Grove continues to grow. The messes has hindered several from attending this far.

On Sunday, April 15, at the home of the bride's parents, Mr. P. Dodd Joyce and Miss Elizabeth Slaughter were united in the holy bonds of matrimony. S. P. Covington, Esq., officiating. We wish them happiness.

Messrs. Peny Napier and Darnell and Mr. and Mrs. Luther Tuttle, of Walnut Cove, spent Easter with relatives and friends near here.

It seems that the movement for the Stokes County Fair will be a success. I think Delk would be an ideal place for the situation, as it is near the railroad and the land is very level.

The annual commencement of the Pilot Mountain Graded school will begin on Wednesday, May 2nd, and will continue until the 5th. On Saturday the fifth Gov. R. B. Glenn will deliver the Literary address.

Mrs. F. M. Venable has in her possession a letter written by her sister fifty years ago. The writing is very plain and is easily read.

The Platonic Debating Society will give a debate during the commencement week at Pilot Mountain on Thursday, the fourth.

J. R. LACKEY WANTS THE ROAD.

Thinks Via Rella the Best Route—Wants to Hear From Others.—Rella, April 10.

Mr. Editor: I will say a few more words about the Electric road. I think it would be good to leave Stoneville, then go by Madison, so they could get connection with the Southern and N. & W. railroads. I think Madison would take large stock in the road. They would get lots of freight to haul from Madison to Stoneville and plenty of passengers. Then leave Madison, go by Dillard, then to Sandy Ridge, up by Rella, by Campbell, by Dellar, by Jewels, then on to Danbury. By leaving Sandy Ridge going up by Rella they would have a good way to go and would get off of all those Creeks and hills down on Snow Creek.

This would be a paying road. Near Rella there is plenty of iron ore.

By going this way they would get lots of stuff to haul from Patrick county, Va., apples, potatoes, cabbage and many other things from Patrick. Good many stores could patronize the road from the Virginia side.

I think the road would pay this way better than any other way. Patrick county people haul hundreds of loads of apples every fall right down by Rella. The roads down by Rella is level, but awful muddy in the fall and winter. We know they had rather pay a little freight than to wag on through the mud, and they could get to haul freight for J. P. Smith, J. R. Hill, J. R. Lackey, Ayers Bros, T. W. Tilley, T. W. Hylton, E. C. Sheppard, Lawson & Co. All of these are merchants, and Dr. Pringle's Roller mill would give them a large amount of hauling. There is plenty of wood around this way, lot of timber, and in fact would be a good way to run the road, and I think the road can be built cheaper this way than going through those creek hills. They would get any amount of passengers to haul, in fact they would

LAND SALE.

By virtue of a decree of the Superior Court of Stokes county, made in case of W. C. Mabe, Luceo Mabe, John H. Lawson and wife Minnie, Frank Bohannon and wife Rosalie, against Cora E. Shelton for the sale of land for partition among the heirs at law of Ambrose Mabe, deceased, I will sell at public auction for cash at the court house door in Danbury on Monday, the 4th day of June 1906, at 1 o'clock p. m. a tract of 14.6-10 acres of land on the waters of Beaver Island Creek, Peters Creek township, Stokes county, adjoining the lands of R. L. Dalton and others and bounded as follows:

Beginning at a Red Oak corner of lot No. 1 runs East 15 chains passing a white oak corner to pointer, North 10 chains to a chestnut, West 8 chains to a stake in a bottom South 2 chains crossing a branch to a stake, West 4 chains crossing a branch to a stake, North 1 chain to a pine, West 2 chains to pointers, South 9 chains to the beginning. It being lot No. 2 in the division of the land of B. C. Mabe and assigned to Ambrose Mabe on Register Book No. 40 page 588 in the office of the Register of Deeds of Stokes county.

This is a good piece of land and well timbered.

This the 16th day of April 1906. GEORGE W. SMITH, Commissioner.

W. W. King, Atty.

get all the hauling I think could do. I want to hear from Madison on this question. And I want to hear from good many others who ought to be interested in the road. J. R. LACKEY.

PINE HALL.

Pine Hall, April 17.—Mr. J. Matt Rierison, of Winston, visited relatives of this place Sunday, returned Monday, accompanied by his wife and children, who have been spending a few weeks with her parents, Mr. and Mrs. John Tuttle.

Mr. Ollie Flynt and sister, of Walnut Cove, spent Easter at Mr. J. T. Rierison's near this place.

Mr. R. M. Tuttle and family, of Winston-Salem, spent the Easter holidays with his father and mother, of this place. Mr. Tuttle has accepted a position as salesman with Brown, Rogers & Co.

Facts Women Should Know

YOUNG GIRLS are earnestly urged to write us at once for Free Advice. Make us your confidant, describe your troubles, stating age, and we will send you instructions and advice, in plain sealed envelope. Address: Ladies' Advisory Dept., The Chattanooga Medicine Co., Chattanooga

Do You Know

that female disease will drag you down into a miserable wreck, if you do not fight it with all your power, and drive it out of your system? Nothing is so certain to destroy your good looks, and shorten your life, as that dreadful bane of every woman—disordered female functions. If you suffer from any female disorders, take

WINE OF CARDUIN
